Modine to launch Commercial and Industrial Solutions at 2017 AHR Expo

Following its acquisition of Luvata HTS, Modine will introduce its new name and branding at the upcoming AHR Expo in Las Vegas on Jan. 30 - Feb. 1.

RACINE, Wis., Jan. 27, 2017 /PRNewswire/ -- [Modine Manufacturing Company](#) (NYSE: MOD), a leader in technology in the HVAC industry, will unveil Commercial and Industrial Solutions, formerly Luvata Heat Transfer Solutions (HTS), at booth C1126 at the [2017 AHR Expo](#), Jan. 30 - Feb. 1, 2017, at the Las Vegas Convention Center.

On December 1, 2016, Modine announced the formal acquisition of Luvata HTS, a leading manufacturer of commercial and industrial coils, coolers, coating services and related products, primarily for the HVAC&R markets.

"Because Luvata HTS is the largest independent producer of HVAC&R coils and coatings globally, the AHR Expo is an ideal platform to introduce the newly created Commercial and Industrial Solutions (CIS) to the industry," said Matt McBurney, Vice President, Integration Management Office. "When combined with Modine, a proven industry leader and innovator, CIS is well positioned to continue to grow and provide even stronger service and solutions for our customers around the globe."

In addition to the launch of Modine's Commercial and Industrial Solutions, a variety of HVAC&R products will be on display in booth C1126:

- ┆ Aluminum Solutions, including Heatcraft[®] microchannel CF[®] evaporators and PF[®] condensers, and aluminum round tube solutions
- ┆ Protective Coating Solutions, including ElectroFin[®] factory-applied E-coat technology, Insitu[®] spray-applied coil and cabinet protection
- ┆ Applied Product Solutions, including ECO[™] CO2 refrigeration coolers, and Round Tube and MicroChannel Condensers.
