## Modine Innovation Tour Travels to Miami

### Cutting-edge HVAC manufacturer to host hands-on event with the latest HVAC technology and professional development seminars in Miami Feb. 28

MIAMI, Feb. 22, 2017 /PRNewswire/ -- [Modine Manufacturing Company](#) (NYSE: MOD), a technology leader in the HVAC industry, will be in Miami on Tuesday, Feb. 28 from 8 a.m. to 3:45 p.m., at Regency Hotel Miami, for their latest stop on the [2017 Innovation Tour](#).

Traveling across North America, Modine's 2017 Innovation Tour will feature professional development seminars and showcase the latest products in the HVAC industry such as the new high efficiency residential geothermal unit, commercial rooftop HVAC units, and some of the quietest classroom HVAC products on the market. Also featured are Modine's unit heater and infrared heater lines.

"The Miami economy is set to outpace the national average," said Kimberly Raduenz, marketing communications manager for Modine. "And that means new business, jobs, housing ... all the things that bring more work for contractors and specifying engineers. It's important to meet with HVAC professionals in the area and give them a first-hand look at all the new technology and innovations they can utilize."

In addition to the product showcase, continuing education will be provided for CEU credits with the following courses:

- | Advancements in Energy Recovery for DOAS
- | Sound Principles of HVAC Equipment
- | Bringing Fresh Air into Classrooms

"We're looking to engage beyond the products," said Raduenz. "A part of offering HVAC solutions is also educating engineers and contractors on how to best serve customers, as there's no shortage of businesses in Miami who are interested in using the most advanced and efficient HVAC solutions available."

Regency Hotel Miami is located at 1000 Northwest Le Jeune Road, Miami, FL 33126. To see the complete agenda and register for the Miami event Feb. 28, visit <https://modineinnovationtour.com/tour-detail/fl/miami>.
