Raleigh, North Carolina Next Stop for Modine Innovation Tour

Cutting-edge HVAC manufacturer to showcase latest HVAC technology and provide professional development seminars in Raleigh April 20

RALEIGH, N.C., April 13, 2017 /PRNewswire/ -- [Modine Manufacturing Company](#) (NYSE: MOD), a technology leader in the HVAC industry, will be in Raleigh on Thursday, April 20 from 10 a.m. to 5 p.m., at PNC Arena, for their latest stop on the [2017 Innovation Tour](#).

Traveling across North America, Modine's 2017 Innovation Tour will feature professional development seminars and showcase the latest products in the HVAC industry such as the new high efficiency residential geothermal unit, commercial rooftop HVAC units, and some of the quietest classroom HVAC products on the market. Also featured are Modine's unit heater and infrared heater lines.

"This is one of our larger event stops on the tour," said Kimberly Raduenz, marketing communications manager for Modine. "Contractors and specifying engineers from the entire Research Triangle are invited to join us at PNC Arena for a great showcase of the latest HVAC technology and free educational courses."

In addition to the product showcase, continuing education will be provided with the following CEU/NATE courses:

- | Bringing Fresh Air into Classrooms (CEU)
- | Indoor Air Quality and Design Strategies to Resolve Economizer Code Conflicts (CEU)
- | Venting of Unit Heaters (CEU/NATE)
- | Sound Principles of HVAC Equipment (CEU)

"Indoor air quality is a hot button topic right now, especially in areas that have as much health care industry as the The Triangle does," said Raduenz. "Contractors and specifying engineers who are wanting to learn more about ventilation requirements and best practices for system design to meet code compliance are encouraged to attend. Not only is it free, but they can walk away with continuing education credits and a better understanding of how to help their clients."

PNC Arena is located at 1400 Edwards Mill Rd., Raleigh, NC 27607. To see the complete agenda and register for the Raleigh event April 20, visit <https://modineinnovationtour.com/tour-detail/nc/raleigh>.
