Modine Innovation Tour Travels to Omaha, Nebraska

Cutting-edge HVAC manufacturer to host hands-on event with the latest HVAC technology and professional development seminars in Omaha, Nebraska Sept. 12

OMAHA, Neb., Aug. 29, 2017 /PRNewswire/ -- [Modine Manufacturing Company](#) (NYSE: MOD), a technology leader in the heating, ventilation and air conditioning (HVAC) industry, will be in Omaha on Tuesday, Sept. 12 from 9 a.m. to 6 p.m., at the Metropolitan Community College, for their latest stop on the [2017 Innovation Tour](#).

Traveling across North America, Modine's 2017 Innovation Tour will feature professional development seminars and showcase the latest products in the HVAC industry such as the new high efficiency residential geothermal unit, commercial rooftop HVAC units, and some of the quietest classroom HVAC products on the market. Also featured are Modine's unit heater and infrared heater lines.

"Omaha has a diverse economy and their construction sector is continuing to grow," said Kimberly Raduenz, marketing communications manager for Modine. "We hope to see specifying engineers and contractors from the entire area join us to learn about the latest technology and HVAC advancements they can be using for their customers."

In addition to the product showcase, continuing education will be provided with the following CEU/NATE courses:

- | Indoor Air Quality and Design Strategies to Resolve Economizer Code Conflicts (CEU)
- | Dedicated Outdoor Air Systems Basics (CEU)
- | Sound Principles of HVAC Equipment (CEU)
- | Sizing Water Source Heat Pumps (CEU/NATE)
- | Venting of Unit Heaters (CEU/NATE)

"Education is a big part of the innovation tour, and all of our classes are free to those who sign up," Raduenz said. "We want everyone who attends to walk away with knowledge they can pass along to their teams and ultimately, their customers."

The event at Metropolitan Community College will be held at CEC Building 25, 5370 North 30th St., Omaha, NE 68115. To see the complete agenda and register for the Omaha event Sept. 12, visit <https://modineinnovationtour.com/tour-detail/ne/omaha>.
