Modine to Display Atherion® D Cabinet HVAC Unit at AHR Expo 2018

Cutting-edge HVAC manufacturer will present their latest in HVAC solutions, the new commercial rooftop Atherion D cabinet HVAC unit, at the upcoming AHR Expo in Chicago on Jan. 22-24

RACINE, Wis., Jan. 15, 2018 /PRNewswire/ -- [Modine Manufacturing Company](#) (NYSE: MOD), a leader in technology in the HVAC industry, will be showcasing the new [Atherion D cabinet HVAC unit](#) at booth No. 3152 at the [2018 AHR Expo](#), Jan. 22-24, in the North Hall of McCormick Place in Chicago.

"The AHR Expo is always a wonderful opportunity to network, admire the technical innovations in our industry, and let others know what Modine Manufacturing has to offer," said Kimberly Raduenz, marketing communications manager for Modine. "In 2018, both the desire and the expectation for more efficient heating and cooling systems will continue to increase in the commercial market. A large, high-volume system with marked efficiency such as the Atherion D cabinet reflects those current demands, and we encourage everyone at the show to stop by our booth and see the unit first-hand."

The Atherion D cabinet is designed to double the cooling capacity and almost triple the gas heating capacity of the current product range. It will expand the successful product line's ranges to:

- | Airflow Range (CFM) - 4,000 to 18,000 for Cooling Ratings (Nominal Tons) 30 to 60
- | Heating Rating in MBH - 400 to 1,600
- | Heating Rating in kW - 40 to 200
