BANNER CORPORATION

Second Quarter 2025

Since 1890

Disclosure Statement

This presentation includes forward-looking statements. These statements include descriptions of management's plans, objectives or goals for future operations, products or services, forecast of financial or other performance measures and statements about Banner's general outlook for economic and other conditions. Additional forward-looking statements may be made in the question-and-answer period following the presentation. These forward-looking statements are subject to several risks and uncertainties and actual results may differ materially from those discussed today. Information on the risk factors that could cause actual results to differ are available from the earnings press release that was released July 16, 2025 as well as the Form 10-K for the year ended December 31, 2024 and Forms 10-Q filed quarterly thereafter. Forward-looking statements are effective only as of the date they are made, and Banner assumes no obligation to update information concerning its expectations.

Second quarter 2025 highlights

- Net income of $45.5 million, compared to $45.1 million for the prior quarter
- HFI Loan growth of $547 million year-over-year (5%); growth of $252 million quarter-over quarter (9% annualized)
- Total loan originations (excluding HFS) were $967 million
