BOSTON - August 3, 2023 - BrightSphere Investment Group Inc. (NYSE: BSIG) reports its results for the second quarter ended June 30, 2023.

Suren Rana, BrightSphere's President and Chief Executive Officer, said, "For the second quarter of 2023, the Company produced ENI earnings per share of $0.28 compared to $0.41 in the second quarter of 2022 and $0.28 in the first quarter of 2023. Acadian, our sole operating business, generated $28.9 million of Adjusted EBITDA in the second quarter of 2023 compared to $38.8 million in the second quarter of 2022 and $27.6 million in the first quarter of 2023. The drop in ENI earnings per share and Acadian's Adjusted EBITDA compared to the second quarter of 2022 was driven by increased operating expenses due to inflation, the impact of foreign currency changes, and our investment in growth initiatives and capabilities.

Acadian's systematic approach continues to produce long-term investment outperformance for clients in a volatile market. As of June 30, 2023, 81%, 81% and 90% of Acadian's strategies by revenue beat their relevant benchmarks over the prior 3-, 5-, and 10- year periods, respectively.

Acadian generated net flows of $0.1 billion in the second quarter of 2023 and Acadian's sales pipeline remains strong. Acadian continues to build out their Systematic Credit platform and we expect to seed the first strategies in the fourth quarter of this year. Acadian continues to build the investment track record for their Equity Alternatives platform after having seeded it in the fourth quarter of 2022.

Turning to capital management, we had a cash balance of approximately $140.8 million as of June 30, 2023. Acadian paid down on their revolving credit facility ending the quarter with an outstanding amount of $38 million compared to $87 million at the end of the first quarter of 2023. As discussed previously, this revolving facility supports Acadian's first quarter seasonal needs and is generally fully paid down by year-end from Acadian's cash from operations. As our business continues to generate strong free cash flow, we expect to continue deploying excess capital to support organic growth and repurchase our stock as opportunities allow."

Dividend Declaration

The Company's Board of Directors approved a quarterly interim dividend of $0.01 per share payable on September 29, 2023 to shareholders of record as of the close of business on September 15, 2023.
