NEWS RELEASE

Q2 Holdings, Inc. Presents: Agentic Banking & the Fraud Advantage – A Conversation with Q2's CTO & COO | Investor Briefing

2026-10-26
AUSTIN, Texas--(BUSINESS WIRE)-- Q2 Holdings, Inc. (NYSE: QTWO), a leading provider of digital transformation solutions for financial services, published an investor briefing video titled "Agentic Banking & the Fraud Advantage: A Conversation with Q2's CTO & COO | Investor Briefing," available on the Company's Events & Presentations page of its **Investor Relations website**.

In the briefing, Q2 Chief Technology Officer Adam Blue and Q2 Chief Operating Officer Hima Mukkamala discuss how personal AI agents are emerging as a new banking channel and reshaping the fraud landscape. Topics include how Q2's digital banking platform helps financial institutions extend their brand, security, and controls into agentic channels; Q2's differentiated position in fraud and cybersecurity; early customer adoption of Q2 Assistant and Q2's account takeover solution; and how Q2's architecture and deep financial services expertise position the company to help financial institutions navigate this shift.
