More Than $1.3 Million Raised So Far in its Qualified Offering under Regulation A+with Over $4.6 Million Raised Since Inception

(Los Angeles, CA), Dec. 11, 2023 (GLOBE NEWSWIRE) -- **Thumzup Media Corporation** ("Thumzup" or the "Company") (OTCQB: TZUP) is pleased to announce that it has already raised more than $1.3 million in its qualified offering under Regulation A+. Thumzup has now raised more than $4.6 million since inception, with many of its investors participating in multiple offerings as the Company continues to execute. The qualification period for the Thumzup Reg A+ offering ends on January 10, 2024.

Thumzup's proprietary technology is helping to democratize the social media marketing and advertising industry estimated to be valued and more than $200B and growing rapidly [1]. Digital advertising spending continues to grow [2] and 60% of consumers say content from a friend or family member influences their purchase decisions [3]. There is nothing else we know of like Thumzup that makes it easy for any brand or business to scale that type of valuable recommendations from friends and family.

The Thumzup mobile app, which is available for download in the App Store and Google Play, incentivizes virtually

everyone to become social media advocates for the brands they enjoy by paying them cash for approved posts.

“Thumzup aims to democratize the multi-billion advertising industry, similar to how Uber transformed the transportation industry and Airbnb disrupted the hospitality sector,” stated Thumzup Chief Executive Officer Robert Steele. “It is both humbling and invigorating that Thumzup has surged into one the most successful active crowdfunding campaigns – our mission is resonating with investors, businesses, and everyday people.”

“To those still considering whether to invest, I encourage you to take a look at **CBS LA’s profile on Thumzup** , **Kevin O’Leary’s thoughts on our potential** , and a **recent feature in Entrepreneur Magazine** which has driven a significant increase in downloads of our platform, along with our **offering circular** ,” continued Mr. Steele. “I believe 2024 will be an exciting and transformative year for Thumzup as we look to expand to new strategic markets, form strategic partnerships to accelerate growth, and uplist to a national exchange.”

Selection of Broker-Dealer

Thumzup recently engaged Dalmore Group, LLC (“Dalmore”), a member of both FINRA and SIPC, to conduct a qualified offering under Regulation A+. Dalmore has been the broker-dealer for more than 260 issuers in Reg A+ offerings, raising more than $3.6 billion, with some of these issuers subsequently listing or uplisting to Nasdaq or the NYSE.
