# Jacobs Awarded Contract by Invex Infraestructura

2017-10-17

Company to develop a fuel storage and distribution terminal in Tula Hidalgo, Mexico

DALLAS--(BUSINESS WIRE)-- **Jacobs Engineering Group Inc.** (NYSE:JEC) has been awarded a contract by Invex Infraestructura 4, S.A.P.I. de C.V. (INI4) for a greenfield fuel storage and distribution terminal in Tula Hidalgo, Mexico. Under the terms of the contract, Jacobs is expected to perform engineering services and support INI4 with regulation compliance and safe and efficient execution. The engineering phase will provide the basis for construction and operation of the strategic terminal.

“Jacobs’ fuel storage and terminals knowledge and proven track record for providing innovative, end-to-end solutions were key factors in securing the contract,” said Jacobs Petroleum and Chemicals Senior Vice President and General Manager Global Operations Mark Bello. “This project, which is expected to help boost confidence in fuel supply throughout the country, is fully in line with Jacobs’ strategy and continued focus on developing storage terminal opportunities in Mexico and Latin America.”

Jacobs is one of the world’s largest and most diverse providers of full-spectrum technical, professional and construction services for industrial, commercial and government organizations globally. The company employs over 54,000 people and operates in more than 25 countries around the world. For more information, visit [www.jacobs.com](http://www.jacobs.com).
