# Jacobs Awarded ID/IQ Contract to Provide A-E Services to AFCEC

2016-05-31

PASADENA, Calif.--(BUSINESS WIRE)-- **Jacobs Engineering Group Inc.** (NYSE:JEC) announced today it received a contract for architect-engineering (A-E) 2013 design and construction services (DCS) from the Air Force Civil Engineer Center (AFCEC) based at Joint Base San Antonio-Lackland, Texas. Jacobs is one of 18 firms awarded under the full and open competition.

The total program value for this indefinite-delivery/indefinite-quantity contract is estimated at \$950,000,000.

The A-E13 DCS contract enables Jacobs to provide the Air Force with Title I, Title II, and other A-E services to support military construction (MILCON), military family housing (MFH), and sustainment, restoration and modernization (SRM) programs at government installations worldwide.

In making the announcement, Jacobs Senior Vice President, Aerospace and Technology Ward Johnson stated, "We are delighted to be awarded the A-E13 DCS contract and continue our 24-year relationship with AFCEC and ultimately support our nation's military personnel."

Jacobs is one of the world's largest and most diverse providers of technical, professional and construction services.
