Jacobs Named Supplier on UK Crown Commercial Service's Management Consultancy Framework Four Agreement

2025-11-11

Jacobs to deliver advisory services to public sector clients through 2027

Management Consultancy Framework Four supports more sustainable and higher value infrastructure solutions

DALLAS, Nov. 11, 2025 /PRNewswire/ -- **Jacobs** (NYSE: J) has been named as a supplier on the United Kingdom's Crown Commercial Service's (CCS) Management Consultancy Framework Four (MCF4) on Lot 8 – Infrastructure. The framework provides public sector organizations with streamlined access to cost-effective advisory services.

Jacobs is named as a supplier on Lot 8 – Infrastructure, offering consulting, advisory services and digital solutions across core markets, including transportation, cities & places, defense and clean energy. Under the framework, Jacobs will provide U.K. public sector organizations with advisory services to enable the delivery of cleaner, smarter infrastructure, improve value for money from public investment and support the organizations responsible for major programs. This appointment positions the company to continue serving new and existing public sector clients for the next two years.

Jacobs Executive Vice President Europe Richard Sanderson said: "This appointment enables us to address the public sector's most pressing infrastructure and transformation needs. Building on our role on the previous framework, we bring deep technical knowledge and experience across the full program lifecycle – from strategy through delivery – to help clients achieve better outcomes for communities and taxpayers."

Management Consultancy Framework Four provides U.K. public sector organizations with access to cost-effective management consultancy from a range of suppliers.

Jacobs will deliver infrastructure-focused advisory services that cover the breadth of its U.K. markets, drawing on its strategic partnership with **PA Consulting**. In addition, Jacobs will support clients in strategy and transformation work through collaboration with PA Consulting, which holds positions on Lot 2 – Strategy and Policy, Lot 3 – Complex and Transformation and Lot 4 – Finance.

Crown Commercial Service supports the public sector to achieve maximum commercial value when procuring common goods and services. In 2024/25, the CCS reported that it helped the public sector to achieve commercial benefits equal to £5.3 billion (\$7 billion).

Notes to editors

About Jacobs

At Jacobs, we're challenging today to reinvent tomorrow – delivering outcomes and solutions for the world's most complex challenges. With approximately \$12 billion in annual revenue and a team of almost 45,000, we provide end-to-end services in advanced manufacturing, cities & places, energy, environmental, life sciences, transportation and water. From advisory and consulting, feasibility, planning, design, program and lifecycle management, we're creating a more connected and sustainable world. See how at **[jacobs.com](https://www.jacobs.com)** and connect with us on **LinkedIn, Instagram, X** and **Facebook**.

Jacobs employs nearly 6,000 people across the U.K. delivering for clients from 15 core offices and more than 35 additional sites. Incorporated locally in 1991, the company works with HM Government, local authorities and the private sector, while creating social value through apprenticeships, graduate programs and community investment.

Certain statements contained in this press release constitute forward-looking statements within the meaning of the

Private Securities Litigation Reform Act of 1995. Forward-looking statements are statements that do not directly relate to any historical or current fact. When used herein, words such as "expects," "anticipates," "believes," "seeks," "estimates," "plans," "intends," "future," "will," "would," "could," "can," "may," and similar words are intended to identify forward-looking statements. We base these forward-looking statements on management's current estimates and expectations, as well as currently available competitive, financial and economic data. Forward-looking statements, however, are inherently uncertain. There are a variety of factors that could cause business results to differ materially from our forward-looking statements including, but not limited to, uncertainties as to, the timing of the award of projects and funding and potential changes to the amounts provided for under the Infrastructure Investment and Jobs Act and other legislation and executive orders related to governmental spending, including any directive to federal agencies to reduce federal spending or the size of the federal workforce, and changes in U.S. or foreign tax laws, including the new tax legislation enacted in the U.S. in July 2025, statutes, rules, regulations or ordinances, including the impact of, and changes to tariffs and retaliatory tariffs or trade policies, that may adversely impact our future financial positions or results of operations, as well as general economic conditions, including inflation and the actions taken by monetary authorities in response to inflation, changes in interest rates and foreign currency exchange rates, changes in capital markets, the possibility of a recession or economic downturn, and increased uncertainty and risks, including policy risks and potential civil unrest, relating to the outcome of elections across our key markets and elevated geopolitical tension and conflicts, among others. For a description of these and additional factors that may occur that could cause actual results to differ from our forward-looking statements, see our filings with the U.S. Securities and Exchange Commission. The company is not under any duty to update any of the forward-looking statements after the date of this press release to conform to actual results, except as required by applicable law.
