

NEWS RELEASE

Jacobs Receives Contract from BP in Germany

2015-02-03

PASADENA, Calif.--(BUSINESS WIRE)-- **Jacobs Engineering Group Inc.** (NYSE: JEC) announced today that it received a contract from **BP Gelsenkirchen GmbH** for concept engineering services to upgrade a Hydrotreater Unit at its refinery facilities in Gelsenkirchen, Germany.

BP recently selected Jacobs as Strategic Supplier of mid-cap work for its downstream business on a global basis. Under the terms of this new regional framework agreement, Jacobs is bringing technical expertise and best practices to help BP reach its goals to optimize operational performance of the BP Gelsenkirchen refining facilities.

In making the announcement, Jacobs Group Vice President Mark Bello stated, "We are delighted to extend our relationship with BP in Germany and look forward to utilizing our capabilities and expertise to support BP Gelsenkirchen with its business objectives."

Jacobs is one of the world's largest and most diverse providers of technical professional and construction services.

Statements made in this release that are not based on historical fact are forward-looking statements. We base these forward-looking statements on management's current estimates and expectations as well as currently available competitive, financial and economic data. Forward-looking statements, however, are inherently uncertain. There are a variety of factors that could cause business results to differ materially from our forward-looking statements. For a description of some of the factors which may occur that could cause actual results to differ from our forward-looking statements please refer to our 2014 Form 10-K, and in particular the discussions contained under Items 1 - Business, 1A - Risk Factors, 3 - Legal Proceedings, and 7 - Management's Discussion and Analysis of Financial Condition and Results of Operations. We do not undertake to update any forward-looking statements made herein.
