# Jacobs Secures Engineering Services Agreement with TransCanada

2016-08-24

PASADENA, Calif.--(BUSINESS WIRE)-- **Jacobs Engineering Group Inc.** (NYSE:JEC) announced today it signed a three-year master engineering services agreement with **TransCanada Corporation** (TSX:TRP) (NYSE:TRP) (TransCanada), a leading energy infrastructure company in North America.

The agreement enables Jacobs to provide project management, engineering, design, drafting, technical, field support and project close-out services for TransCanada's pipelines and liquids facilities projects across Canada.

In making the announcement, Jacobs Senior Vice President Petroleum and Chemicals Manuel Junco stated, "With the continued growth of upstream and midstream companies in North America, this agreement marks a significant step for Jacobs in extending our capabilities to new energy infrastructure clients and increasing our market share and growth in this sector. In particular, we have considerable experience in Canada delivering innovative and cost saving ideas for our pipeline and midstream clients.

"We are excited to contribute significant value to TransCanada's upcoming pipeline and pipeline facility projects. We look forward to establishing a mutually beneficial long-term relationship with TransCanada."

Jacobs is one of the world's largest and most diverse providers of full-spectrum technical, professional and construction services for industrial, commercial and government organizations globally.
