Jacobs Secures Place on Irish Water's Engineering Design Services Framework

2020-12-15

DALLAS, Dec. 15, 2020 /PRNewswire/ -- **Jacobs** (NYSE:J) has been appointed to **Irish Water's** Engineering Design Services Framework to provide technical support on its program of capital works to deliver improvements to water services throughout Ireland. The seven-year framework reinforces Jacobs' commitment to supporting Irish Water in upgrading Ireland's water services infrastructure.

Jacobs will provide a range of services and strategic planning support, including feasibility studies, investment planning, site survey and investigation services, stakeholder management, construction contract administration and asset management. By leveraging its global capabilities, Jacobs aims to provide Irish Water a full spectrum of services including scientific, technical, professional, design, construction and program management.

"Building on our long-standing relationship, this latest award enables us to bring our diverse skills and knowledge to support Irish Water in the delivery of resilient and sustainable water and wastewater infrastructure," said Jacobs People & Places Solutions Senior Vice President Europe and Digital Strategies Donald Morrison. "By putting the improvement of social and natural capital at the heart of the solutions we deliver, we hope to establish a lasting legacy that enhances water infrastructure and economic growth in Ireland."

Over the last six years, Jacobs has worked collaboratively with Irish Water to deliver several key projects, including the National Water Resources Plan, Sludge Hub and Satellite Dewatering Program and Navan Mid-Meath Water Supply Scheme.

At Jacobs, we're challenging today to reinvent tomorrow by solving the world's most critical problems for thriving cities, resilient environments, mission-critical outcomes, operational advancement, scientific discovery and cutting-

edge manufacturing, turning abstract ideas into realities that transform the world for good. With approximately \$14 billion in revenue and a talent force of more than 55,000, Jacobs provides a full spectrum of professional services including consulting, technical, scientific and project delivery for the government and private sector.

Certain statements contained in this press release constitute forward-looking statements as such term is defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, and such statements are intended to be covered by the safe harbor provided by the same. Statements made in this release that are not based on historical fact are forward-looking statements. We base these forward-looking statements on management's current estimates and expectations as well as currently available competitive, financial and economic data. Forward-looking statements, however, are inherently uncertain. There are a variety of factors that could cause business results to differ materially from our forward-looking statements, including, but not limited to, the impact of the COVID-19 pandemic and the related reaction of governments on global and regional market conditions and the company's business. For a description of some additional factors that may occur that could cause actual results to differ from our forward-looking statements, see our Annual Report on Form 10-K for the year ended October 2, 2020, and in particular the discussions contained under Item 1 - Business; Item 1A - Risk Factors; Item 3 - Legal Proceedings; and Item 7 - Management's Discussion and Analysis of Financial Condition and Results of Operations, as well as the company's other filings with the Securities and Exchange Commission. The company is not under any duty to update any of the forward-looking statements after the date of this press release to conform to actual results, except as required by applicable law.
