

NEWS RELEASE

Jacobs Selected by Monsanto Company for Work on Potential Expansion in Louisiana

2015-07-14

PASADENA, Calif.--(BUSINESS WIRE)-- Jacobs Engineering Group Inc. (NYSE:JEC) announced today that it was selected by Monsanto Company (Monsanto) to provide engineering and procurement for a potential expansion of its St. Charles Parish operations in Luling, La.

In making the announcement, Jacobs Group Vice President Manuel Junco stated, "We are delighted to bring our expertise in executing projects of this size and scale to Monsanto. Our global strength in chemicals combined with delivery capacity in the U.S. Gulf Coast positions us to bring value to this critical project."

Headquartered in St. Louis, Monsanto is committed to bringing a broad range of solutions to help nourish our growing world.

Jacobs is one of the world's largest and most diverse providers of technical professional and construction services.

Statements made in this release that are not based on historical fact are forward-looking statements. We base these forward-looking statements on management's current estimates and expectations as well as currently available competitive, financial and economic data. Forward-looking statements, however, are inherently uncertain. There are a variety of factors that could cause business results to differ materially from our forward-looking statements. For a description of some of the factors which may occur that could cause actual results to differ from our forward-looking statements please refer to our 2014 Form 10-K, and in particular the discussions contained under Items 1 - Business, 1A - Risk Factors, 3 - Legal Proceedings, and 7 - Management's Discussion and Analysis of Financial Condition and Results of Operations. We do not undertake to update any forward-looking statements made herein.
