Jacobs Wins Contract to Renovate US Government Accountability Offices

2021-05-13

DALLAS, May 13, 2021 /PRNewswire/ -- **Jacobs** (NYSE:J) was awarded a new multi-disciplinary architecture and engineering (AE) service contract for the U.S. Government Accountability Office (GAO). This is a Multiple Award Task Order Contract (MATOC) and supports the Indefinite Delivery, Indefinite Quantity (IDIQ) of task orders to renovate and upgrade the GAO's headquarters in Washington D.C., as well as the agency's field offices in 11 cities across the country.

GAO estimates the shared contract capacity at \$25 million for a one-year base period and four option years. AE services consist of mechanical, plumbing, electrical, structural, landscape, architectural, and historical engineering and design of GAO facilities and infrastructure across the country. Projects may include new construction, alterations, renovations, tenant fit-up, mechanical, electrical, plumbing and fire suppression system upgrades and replacement.

"With this new contract, we can expand on a proven track record of work modernizing similar aging buildings for federal clients in the national capital region," said Jacobs Federal & Environmental Solutions Senior Vice President and General Manager Tim Byers. "Through our innovative, sustainable and resilient solutions we can bring local delivery and comprehensive services to the GAO in D.C. and their facilities nationwide."

At Jacobs, we're challenging today to reinvent tomorrow by solving the world's most critical problems for thriving cities, resilient environments, mission-critical outcomes, operational advancement, scientific discovery and cutting-edge manufacturing, turning abstract ideas into realities that transform the world for good. With \$14 billion in revenue and a talent force of approximately 55,000, Jacobs provides a full spectrum of professional services including consulting, technical, scientific and project delivery for the government and private sector.
