Jacobs Wins Five-Year Contract with U.S. National Guard

2015-06-09

PASADENA, Calif.--(BUSINESS WIRE)-- **Jacobs Engineering Group Inc.** (NYSE:JEC) announced today it was awarded a five-year, architectural and engineering services indefinite delivery/indefinite quantity (IDIQ) contract with the U.S. Army and Air National Guard nationwide, including Puerto Rico, Guam, the Virgin Islands and the District of Columbia. This contract is the third continuous, five-year national IDIQ contract Jacobs has held with the National Guard since receiving its first national contract in 2004.

The contract is a five-year task order contract for a two-year base period, with three one-year option period extensions. The maximum ceiling amount of the contract is \$45 million inclusive of all options. It has an estimated completion date of April 2020.

Under this contract, Jacobs' scope of services includes, but is not limited to, the performance of planning; master planning and programming support; architect-engineer (A-E) investigative and design services, including development of construction documents; construction support; engineering and environmental studies; National Environmental Policy Act (NEPA) documentation; and investigations and surveys for both Army and Air National Guard programs and projects across the country.

In making the announcement, Jacobs Group Vice President Tom McDuffie stated, "We are proud to have this opportunity to continue our successful relationship with the U.S. National Guard and to continue helping it with its mission for innovative and cost effective project solutions."

Jacobs has completed more than 300 projects in all 50 States and U.S. Territories, including the U.S. Virgin Islands, Puerto Rico and Guam, as well as the District of Columbia, since receiving its first nationwide National Guard IDIQ

contract in 2004.

Jacobs is one of the world's largest and most diverse providers of technical professional and construction services.
