# Jacobs Wins Global Architecture and Engineering Contract with U.S. Air Force

2021-03-25

DALLAS, March 25, 2021 /PRNewswire/ -- **Jacobs** (NYSE:J) was selected to continue supporting the U.S. Air Force's Architecture and Engineering (AE) needs globally through the AE Next Program. This is a Multiple Award Task Order Contract (MATOC) and supports the Indefinite Delivery, Indefinite Quantity (IDIQ) task order contracts primarily involved in providing professional design and engineering services for sustainment, restoration and modernization projects including demolition.

The Air Force Civil Engineer Center (AFCEC) values the shared program ceiling at \$2 billion. The contract has an initial five-year base period with the option to renew for an additional five years. The contract includes projects with Title I, Title II, and other AE Services for facilities and general infrastructure and may be delivered at worldwide locations. Contract projects include global Air Force facilities renovation, modernization of historic airfields, hangars and air traffic control towers, and infrastructure development, including roads, railroads and bridges.

"Our past performance with AFCEC and the Air Force was marked by our innovative Installations of the Future Concept, showcasing smart systems, and building more sustainable, cyber-secure and resilient solutions," said Jacobs Federal & Environmental Solutions Senior Vice President and General Manager and retired USAF Major General, Tim Byers. "As the Air Force plans for the future, we continue to drive leading-edge solutions, mission and quality-of-life facilities and infrastructure while lowering life cycle maintenance costs across the enterprise."

At Jacobs, we're challenging today to reinvent tomorrow by solving the world's most critical problems for thriving cities, resilient environments, mission-critical outcomes, operational advancement, scientific discovery and cutting-edge manufacturing, turning abstract ideas into realities that transform the world for good. With \$14 billion in revenue and a talent force of approximately 55,000, Jacobs provides a full spectrum of professional services

including consulting, technical, scientific and project delivery for the government and private sector. Visit [jacobs.com](http://jacobs.com) and connect with Jacobs on **Facebook**, **Instagram**, **LinkedIn** and **Twitter**.
