

NEWS RELEASE

# Jacobs Wins Marine Corps Special Operations Command Contract

2016-02-09

PASADENA, Calif.--(BUSINESS WIRE)-- **Jacobs Engineering Group Inc.** (NYSE:JEC) announced today it received a contract from the Marine Corps Special Operations Command (MARSOC) to provide communications training services to Marine Raiders combat personnel.

As the prime contractor, Jacobs brings a team of highly qualified communication and data experts to develop and provide hands-on training in state-of-the-art radio and data communication systems. Under the contract, Jacobs is also providing technical advice to MARSOC on training and employment of future ground-based and satellite communications systems.

In making the announcement, Jacobs Senior Vice President Aerospace and Technology Darren Kraabel stated, "Jacobs is proud to provide this unique and important training capability in support of MARSOC. This appointment extends our long-standing and successful relationship with MARSOC."

Jacobs is one of the world's largest and most diverse providers of technical, professional and construction services.

Statements made in this release that are not based on historical fact are forward-looking statements. We base these forward-looking statements on management's current estimates and expectations as well as currently available competitive, financial and economic data. Forward-looking statements, however, are inherently uncertain. There are a variety of factors that could cause business results to differ materially from our forward-looking statements. For a description of some of the factors which may occur that could cause actual results to differ from our forward-looking statements please refer to our 2015 Form 10-K, and in particular the discussions contained under Items 1 - Business, 1A - Risk Factors, 3 - Legal Proceedings, and 7 - Management's Discussion and Analysis of

Financial Condition and Results of Operations. We do not undertake to update any forward-looking statements made herein.
