PEMEX Fertilizantes Selects Jacobs for Ammonia IV Rehabilitation Project

2017-08-16

DALLAS --(BUSINESS WIRE)-- **Jacobs Engineering Group Inc.** (NYSE:JEC) has been awarded a contract from PEMEX Fertilizantes to deliver Project Management Contract (PMC) services for the Ammonia IV Rehabilitation Project in the Cosoleacaque Petrochemical Complex in Veracruz, Mexico .

PEMEX Fertilizantes is rehabilitating the Ammonia IV plant, and its associated auxiliary facilities, in order to restore its operating design capacity and reduce the risks associated with non-programmed shutdowns and abnormal operations. As PMC contractor for PEMEX Fertilizantes, Jacobs supervises the Engineering, Procurement and Construction (EPC) contractor developing the Ammonia IV Plant Rehabilitation.

“Building on our outstanding performance as PMC service provider for their Minatitlan Refinery Reconfiguration Project , we are committed to support PEMEX in delivering the Ammonia IV Rehabilitation project safely and successfully,” said Jacobs Petroleum and Chemicals Senior Vice President Downstream Mark Bello.

Jacobs is one of the world’s largest and most diverse providers of full-spectrum technical, professional and construction services for industrial, commercial and government organizations globally. The company employs over 54,000 people and operates in more than 25 countries around the world. For more information, visit www.jacobs.com .

Statements made in this release that are not based on historical fact are forward-looking statements. We base these forward-looking statements on management’s current estimates and expectations as well as currently available competitive, financial and economic data. Forward-looking statements, however, are inherently uncertain. There are a variety of factors that could cause business results to differ materially from our forward-looking

statements. For a description of some of the factors which may occur that could cause actual results to differ from our forward-looking statements please refer to our Form 10-K for the year ended September 30, 2016 , and in particular the discussions contained under Items 1 - Business, 1A - Risk Factors, 3 - Legal Proceedings, and 7 - Management's Discussion and Analysis of Financial Condition and Results of Operations. We do not undertake to update any forward-looking statements made herein.
