# Woodside Selects Jacobs to Deliver Brownfields Engineering and Procurement Services

2018-12-02

DALLAS, Dec. 2, 2018 /PRNewswire/ -- **Jacobs Engineering Group Inc.** (NYSE:JEC) has been awarded a three-year outline agreement from **Woodside Energy Limited** to provide brownfields engineering and procurement services for the Karratha Gas Plant (KGP) in Western Australia. The KGP is one of the most advanced integrated gas production systems in the world, servicing Australia's largest oil and gas development, **the North West Shelf Project**.

"We are pleased to extend our relationship with Woodside. Our proven track record of delivering long-term brownfields sustaining capital programs across the world ideally positions us to support the entire program life cycle for Woodside's Karratha Gas Plant," said Jacobs Energy, Chemicals and Resources President Vinayak Pai. "Our experience in program management and commitment to continuous improvement and digital solutions will help ensure Woodside's program is a success."

In addition to this sustaining capital contract, Jacobs has been delivering engineering and consulting services to Woodside across its portfolio of assets in Western Australia.

Woodside, headquartered in Perth, is one of Australia's leading LNG operators and the country's largest independent oil and gas company.

Jacobs leads the global professional services sector delivering solutions for a more connected, sustainable world. With \$15 billion in fiscal 2018 revenue and a talent force of more than 80,000, Jacobs provides a full spectrum of services including scientific, technical, professional and construction- and program-management for business, industrial, commercial, government and infrastructure sectors.
