About Intelligent Bio Solutions Inc.

Intelligent Bio Solutions Inc. (NASDAQ: INBS) (the "Company") is a medical technology company delivering intelligent, rapid, non-invasive testing solutions. The Company's Intelligent Fingerprinting Drug Screening System is revolutionizing portable testing through fingerprint sweat analysis, which has the potential for broader applications in additional fields. This highly accurate, hygienic, and cost-effective system screens for recent use of drugs commonly found in the workplace, including opioids, cocaine, methamphetamine, and cannabis. With sample collection in seconds and results in under ten minutes, this technology is a valuable tool for employers in safety-critical industries. Additionally, the Company's biosensor platform is being expanded to test for up to 130 indications, ranging from glucose to immunological conditions and communicable diseases. The Company's current

customer segments include construction, manufacturing and engineering, transport and logistics firms, drug treatment organizations, and coroners.

Forward-Looking Statements:

Some of the statements in this release are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, Section 21E of the Securities Exchange Act of 1934 and the Private Securities Litigation Reform Act of 1995, which involve risks and uncertainties. Forward-looking statements in this press release include, without limitation, Intelligent Bio Solutions Inc.'s ability to develop, and commercialize its diagnostic tests, realize commercial benefit from its partnerships and collaborations, secure regulatory approvals, and expand market penetration, among others. Although Intelligent Bio Solutions Inc. believes that the expectations reflected in such forward-looking statements are reasonable as of the date made, expectations may prove to have been materially different from the results expressed or implied by such forward-looking statements. Intelligent Bio Solutions Inc. has attempted to identify forward-looking statements by terminology, including "believes," "estimates," "anticipates," "expects," "plans," "projects," "intends," "potential," "may," "could," "might," "will," "should," "approximately" or other words that convey uncertainty of future events or outcomes to identify these forward-looking statements. These statements are only predictions and involve known and unknown risks, uncertainties, and other factors, included in Intelligent Bio Solutions' public filings filed with the Securities and Exchange Commission. Any forward-looking statements contained in this release speak only as of its date. Intelligent Bio Solutions undertakes no obligation to update any forward-looking statements contained in this release to reflect events or circumstances occurring after its date or to reflect the occurrence of unanticipated events.
