It's free to enroll in DICK'S ScoreCard loyalty program and all existing members will automatically begin to receive the program's new benefits starting on July 1, which include:

In addition, ScoreCard members can continue to unlock free shipping on orders of \$49 or more and earn 1 Point for every dollar spent at our stores and online. To earn additional Points, ScoreCard and ScoreCard+ members can download the **DICK'S mobile app** and activate MOVE by connecting their fitness tracker. Through MOVE, ScoreCard members can turn everyday activity into Rewards and earn up to three Points per day when they achieve one of the following goals: three miles of walking or running, 10,000 steps or 30 minutes of activity.

"Our relationship with our athletes goes beyond transactions," said Emily Silver, Chief Marketing, eCommerce and Athlete Experience Officer at DICK'S. "We're there when their child gets their first glove, soccer ball or football cleat. We're there helping them build memories through experiences at our House of Sport and DICK'S stores. We're there when they need something quick and when they want to learn something new. Our enhanced ScoreCard and new ScoreCard+ programs recognize the deep relationships we have with our athletes and rewards them not just for purchases, but for all the ways in which they interact with us today. We look forward to continuing to build and enhance the program with additional meaningful benefits over time."

With approximately 30 million athletes representing more than 75% of sales, DICK'S ScoreCard Loyalty Program is already a powerful driver of brand engagement, purchase frequency, and long-term customer value. The refreshed program builds on that strong foundation by enhancing the overall member experience and creating additional opportunities for athletes to engage with the brand in more personalized and meaningful ways.

In addition to the ScoreCard loyalty program, athletes can earn even more in Rewards with DICK'S new and improved credit program, which re-launched in **May**. With the DICK'S Credit Card: The Card for Sport, athletes automatically earn ScoreCard Gold status after their first purchase at DICK'S. New to the program, card holders will now earn 10% back in Rewards⁺ on qualifying purchases at DICK'S – one of the most competitive Reward rates in
