Credo Named a Winner of the 2025 Top Workplaces USA Award

3/27/2025

SAN JOSE, Calif.--(BUSINESS WIRE)-- **Credo Technology Group Holding Ltd** (Credo) (Nasdaq: CRDO), an innovator in providing secure, high-speed connectivity solutions that deliver improved reliability and energy efficiency, has been recognized as a winner of the 2025 Top Workplaces USA award, co-sponsored by Energage and USA TODAY. This award reflects Credo's commitment to fostering a workplace culture that empowers employees and drives innovation.

Credo Recognized as a USA Today Top Workplace 2025

Top Workplaces USA recognizes organizations with 150 or more

employees based on employee feedback from an engagement survey conducted by Energage. The survey evaluates organizations on key cultural drivers, including alignment, execution, and connection, which have been proven to predict high performance and employee satisfaction. More than 42,000 organizations were invited to participate in the 2025 Top Workplaces USA survey.

"Our employees are at the heart of Credo's success, and this recognition as a Top Workplace is a testament to the culture of collaboration, innovation, and excellence we've built," said Bill Brennan, President and CEO of Credo. "We are proud to provide an environment where our teams feel valued, inspired, and motivated to push the boundaries of high-speed connectivity solutions."

"Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, CEO of Energage. "That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."

Credo's dedication to employee well-being, professional development, and diversity and inclusion has been instrumental in creating a workplace that attracts top talent in the semiconductor industry. The company fosters a culture of continuous learning, mentorship, and collaboration.
