# The Real Brokerage Inc. Named to Financial Times List of The Americas' Fastest Growing Companies 2026

2026-04-02

Company ranks No. 1 among residential real estate brokerages and No. 39 overall

MIAMI--(BUSINESS WIRE)-- The Real Brokerage Inc. (NASDAQ: REAX), a leading real estate technology platform redefining the industry through innovation and culture, has been named to the Financial Times list of The Americas' Fastest Growing Companies 2026, announced today. The company ranked No. 1 among residential real estate brokerages and No. 39 overall out of 300 companies included on this year's list.

Presented by the Financial Times and Statista Inc., the world-leading statistics portal and industry ranking provider, The Americas' Fastest Growing Companies 2026 ranking identifies companies with the strongest revenue growth between 2021 and 2024. The ranking criteria is based on revenue thresholds, independence and primarily organic growth across eligible companies headquartered throughout the Americas. The awards list can be viewed on **FT.com**.

"This recognition reflects the strength of our model and the commitment of our agents, who are at the center of everything we do," said Tamir Poleg, Chairman and CEO of Real. "Our growth is driven by a simple idea. Empower agents with the best technology, support and community, and they will build extraordinary businesses. We're proud to see that vision continue to resonate across the industry."

With a network now exceeding 33,000 agents across the U.S. and Canada and an expanding suite of integrated brokerage, mortgage, title and adjacent fintech services, Real has delivered strong, organic growth that has consistently outpaced the broader residential real estate brokerage market in recent years.

In 2025, the company generated nearly \$2 billion in annual revenue, driven by its focus on innovation, automation and agent-centric support, enabling it to scale efficiently, increase agent productivity and attract high-performing agents.
