The Real Brokerage Ranked No. 100 Fastest-Growing Company in North America on the 2025 Deloitte Technology Fast 500™

2025-11-19

Attributes 939% revenue growth to the company's focus on investing in technology to deliver meaningful value to its 31,000+ agents and their clients

MIAMI--(BUSINESS WIRE)-- The Real Brokerage Inc. (NASDAQ: REAX), a leading real estate technology platform redefining the industry through innovation and culture, today announced it ranked No. 100 on the **Deloitte Technology Fast 500™**, a ranking of the 500 fastest-growing technology, media, telecommunications, life sciences, fintech and energy tech companies in North America, now in its 31st year. Real grew revenue by 939% during the three year time period from 2021 to 2024.

Tamir Poleg, Real Chairman and Chief Executive Officer, credits the company's focus on investing in technology and delivering meaningful value to its 31,000+ agents and their clients with the company's market-leading revenue growth.

"This recognition underscores the strength of our model and our ability to thrive in any market," Poleg said. "By investing in innovation and empowering our growing agent base to deliver exceptional experiences, we're redefining what a modern real estate platform can be and we're just getting started."

Now, the nation's fifth largest brokerage in terms of volume per RealTrends Verified 2025 Brokerage Rankings, Real offers a fully integrated real estate ecosystem that combines brokerage, mortgage, title and fintech services to support agents and deliver a more seamless client experience. By unifying the homebuying journey under one roof, Real is

creating a modern transaction process that sets a new benchmark for innovation, efficiency and empowerment.

The company's proprietary software platform, reZEN, has enabled Real to scale rapidly and efficiently while investments in AI and workflow automation are shaping a future where agents can focus more on growing their businesses rather than filling out paperwork.

Overall, 2025 Technology Fast 500 companies achieved revenue growth ranging from 122% to 29,738% over the three-year time frame, with an average growth rate of 1,079%.

About the 2025 Deloitte Technology Fast 500

Now in its 31st year, the Deloitte Technology Fast 500 provides a ranking of the fastest-growing technology, media, telecommunications, life sciences, fintech, and energy tech companies — both public and private — in North America. Technology Fast 500 award winners are selected based on percentage fiscal year revenue growth from 2021 to 2024.

In order to be eligible for Technology Fast 500 recognition, companies must own proprietary intellectual property or proprietary technology that significantly contributes to the company's operating revenues. Companies must have base-year operating revenues of at least US\$50,000, and current-year operating revenues of at least US\$5 million, with a growth rate of 50% or greater. Additionally, companies must be in business for a minimum of four years and be headquartered within North America (United States and Canada).
