Reinforces Ongoing Commitment to Delivering Value to Stockholders

VERNON HILLS, Ill., November 4, 2025 -- CDW Corporation (Nasdaq: CDW), a leading multi-brand provider of information technology solutions to business, government, education and healthcare customers in the United States, the United Kingdom and Canada, today announced that its Board of Directors has declared a quarterly cash dividend of \$0.630 per common share to be paid on December 10, 2025 to all stockholders of record as of the close of business on November 25, 2025. Future dividends will be subject to approval by CDW's Board of Directors.

"Dividends represent an important component of our capital allocation priorities, along with share repurchases, strategic M&A and managing our capital structure." said Albert J. Miralles, chief financial officer, CDW. "Since our IPO in June 2013, our dividend has increased nearly fifteen-fold, with twelve consecutive years of increases, and we have returned approximately \$7.9 billion to stockholders through share repurchases and dividends. Our capital allocation strategy has enabled us to deliver value to our stockholders, just as we have delivered value to our customers and partners for 40 years."
