Their Rebate on Pool Pumps Through June 30***Eligible customers can now receive limited-time \$600 rebate on qualifying upgrade*

CAYCE, S.C. (June 1, 2026) – Dominion Energy is offering a limited-time double rebate to help eligible residential electric customers in South Carolina install or upgrade to a qualifying pool pump through June 30.

Residential electric customers who purchase and install a qualifying Energy Star-certified, variable speed pool pump through the end of June can receive a double rebate of \$600.

“For customers with pools, pumps can be one of the biggest contributors to their overall energy use during the summer months,” said Josh McMillin, program manager. “This limited-time offer provides customers an opportunity to lower their upfront costs while improving energy efficiency and long-term savings.”

To qualify for the limited-time double rebate, customers must:

- Be a Dominion Energy South Carolina residential electric customer.
- Purchase and install a new Energy Star-certified, variable speed pool pump.
- Submit an application and detailed invoice within 90 days of installation.

For more information about the program, full eligibility requirements for the limited-time double rebate, or to apply, visit [DominionEnergy.com/PoolPump](https://www.dominionenergy.com/PoolPump).
