

## NEWS RELEASE

# Dominion Energy Charitable Foundation Spring Grant Cycle Now Open

2026-01-20

- Grants support human needs, environmental stewardship, education, and community vitality
- Funding is available to nonprofit organizations in areas where Dominion Energy provides electricity or natural gas or has significant business interests
- Deadline to apply for the spring grant cycle is Feb. 20, 2026 at 5 p.m. ET

RICHMOND, Va.--(BUSINESS WIRE)-- Nonprofit organizations within Dominion Energy's service areas are invited to apply for grants from the Dominion Energy Charitable Foundation.

Grants will be awarded to support programs and specific projects that focus on human needs, environmental stewardship, education, and community vitality. The foundation accepts grant requests twice per year – once in the spring and once in the fall.

The spring grant application period is now open and closes at 5 p.m. ET on Feb. 20. Decisions will be announced in May.

"Nonprofits help address important needs while strengthening local communities. These grants are designed to support organizations that are making a real difference for individuals and families," said Hunter A. Applewhite, President of the Dominion Energy Charitable Foundation. "Investing in community partners is one of the ways we create a positive impact in the regions we serve."

Funding is available to organizations in areas where Dominion Energy provides electricity or natural gas or has significant business interests. These include Virginia, South Carolina, northeast North Carolina, and parts of West

Virginia, Connecticut, and Rhode Island.

The foundation will host virtual office hours in January and February to answer questions from nonprofits about the grant application process. For details and to apply for a grant, visit: **DominionEnergy.com/foundation**.

### About the Dominion Energy Charitable Foundation

Dominion Energy (NYSE: **D**) provides regulated electricity service to 3.6 million homes and businesses in Virginia, North Carolina, and South Carolina, and regulated natural gas service to 500,000 customers in South Carolina; is one of the nation's leading developers and operators of regulated offshore wind and solar power; and is the largest producer of carbon-free electricity in New England. Through its **Dominion Energy Charitable Foundation**, as well as **EnergyShare** and other programs, Dominion Energy contributed \$46.3 million in 2024 to community causes. The Foundation supports nonprofit causes that meet basic human needs, protect the environment, promote education, and encourage community vitality. Please visit **DominionEnergy.com** to learn more.
