72 Ameriprise Advisors Recognized on Forbes Top Women Wealth Advisors List

2020-04-29

MINNEAPOLIS--(BUSINESS WIRE)-- Ameriprise Financial (NYSE: AMPF) today announced that 72 of its financial advisors were named to the 2020 Forbes "Top Women Wealth Advisors List." This is the third year Ameriprise advisors have appeared on the Forbes list, which was developed by SHOOK Research in 2017 to recognize top women advisors across the country. The ranking is based on qualitative and quantitative data, weighing factors including revenue, assets under management, compliance records, industry experience and best practices learned through telephone and in-person interviews.

"Congratulations to each of the Ameriprise advisors for earning this accolade, which is a reflection of the work they do every day to help our clients achieve their financial goals," said Bill Williams, Executive Vice President of the Ameriprise Franchise Group. "We are committed to making Ameriprise the firm of choice for women in the industry and this recognition speaks to the talent, expertise and diversity of advisors we continue to attract to the firm."

"We're proud of our advisors' commitment to helping clients feel secure about their financial futures and the impact of this mission is particularly critical in uncertain times like this," said Pat O'Connell, Executive Vice President of the Ameriprise Advisor Group & Ameriprise Financial Institutions Group. "We applaud the Ameriprise advisors for receiving this distinguished recognition and leading the way in providing exceptional service to clients in any market environment."

Forbes/SHOOK Research listings are based on data compiled by many of the nation's most productive advisors, selected by their firms, which is then submitted to and judged by SHOOK Research. Key factors and criteria include: assets under management, revenue produced for the firm, regulatory and compliance record, and credentials/years of professional experience. Portfolio performance is not a factor. This award is not indicative of this advisor's future performance. Neither Forbes nor SHOOK Research receives compensation in exchange for placement on the ranking.
