Ameriprise Financial Included in the 2020 Bloomberg Gender-Equality Index

2020-01-21

MINNEAPOLIS--(BUSINESS WIRE)-- Ameriprise Financial (NYSE: AMP) today announced it has been included in the 2020 Bloomberg Gender-Equality Index (GEI). The GEI is an investment index that aims to track the performance of public companies that are committed to transparency in gender reporting and offer best-in-class policies and practices in support of women in the workforce.

"At Ameriprise, we are dedicated to creating a diverse and inclusive culture where all employees can feel empowered to be their best, and this is reflected in everything that drives our success," said Kelli Hunter Petruzillo, executive vice president of human resources at Ameriprise. "We are passionate about this work, and we're proud to be recognized for our commitment to equality and advancing women in the workplace."

Ameriprise is one of 325 companies included in the 2020 GEI. Nearly 6,000 companies in 84 countries had the opportunity to disclose their data using Bloomberg's gender reporting framework for this year's index.
