MINNEAPOLIS--(BUSINESS WIRE)-- More than 750 advisors, staff members and corporate leaders from Ameriprise Financial (NYSE: AMP) recently gathered in Orlando, FL and Atlanta, GA for the firm's seventh annual Women Advisor Summits. Two separate three-day events featured powerful keynote speakers, best practices from top women advisors and Ameriprise executives, and breakout sessions focused on creating a differentiated client experience while growing and expanding advisors' practices.

**Bill Williams**, president and executive vice president of the Ameriprise Independent Advisors channel, and **Pat O'Connell**, president and executive vice president of the Ameriprise Branch and Institutions Advisors channels, co-hosted the events along with the company's Women's Empowerment (WE) Networks.

"Our Women's Advisor Summits are a celebration of the talent, dedication and passion our women advisors bring to the work they do on behalf of clients – and our commitment to being a firm of choice for women in the industry," said **Williams**. "We're proud to see the tremendous growth and success of these female-led practices and are honored to partner and support them as they help clients achieve the most important goals in life."

"The energy, ideas, and connections made at our annual summits leave attendees inspired and invigorated throughout the year," said **Leasha Flammio-Watson**, Private Wealth Advisor and President of the Ameriprise Women's Empowerment Network for its Independent Channel. "It is one of the many ways Ameriprise supports the development and careers of women advisors and empowers us to continually elevate the way in which we serve clients".

“The women of Ameriprise are a powerhouse,” said O’Connell, “and their accomplishments epitomize the Ameriprise culture of excellence, professional development, and personalized support that differentiates our firm.”

“There’s such a strong sense of camaraderie, respect, and encouragement for women advisors at Ameriprise,” said **Alanna Morey**, Private Wealth Advisor and President of the Ameriprise Women’s Empowerment Network for its branch channel. “While it’s on full display at our annual summits, it is truly palpable throughout the year – which is one of the many reasons women are proud to affiliate their practices with Ameriprise.”
