# Ameriprise Financial Named One of “America’s Most Trusted Companies 2022” by Newsweek Magazine

2022-04-28

MINNEAPOLIS--(BUSINESS WIRE)-- Ameriprise Financial has been named to Newsweek Magazine’s first everlist of “America’s Most Trusted Companies.” The award recognizes 400 companies across 22 industries.

Newsweek partnered with market research and industry ranking provider Statista Inc. to poll 50,000 U.S. residents for the survey during June-August 2021. Respondents were asked to rate companies they know on three touchpoints of trust—from the viewpoint of consumers, investors, and employees.

This recent recognition is the latest accolade the firm has received for trust. In 2021, Ameriprise was named the **#1 Most Trusted Wealth Manager by Investor’s Business Daily**.
