“It’s an honor to have our employees recognize our company culture and values, which continue to shine during this difficult time in society,” said Kelli Hunter Petruzillo, executive vice president of human resources at Ameriprise. “The talent and commitment of our people are our number one asset as an organization, and we’re deeply invested in making Ameriprise a great place for them to work and have fulfilling careers.”

The “2020 Best Places to Work” list features a group of businesses that create an exceptional work environment according to their employees. To determine award recipients, the Minneapolis-St. Paul Business Journal surveyed employees on a range of workplace dimensions, including company culture, communication efforts, leadership and benefits. To qualify for the award, a company must have at least 10 full-time employees in the Twin Cities metro area or 1,000 employees in Minnesota. Ameriprise is headquartered in Minneapolis with more than 5,000 employees located in Minnesota.

In addition to the inclusion in this list, in 2020, Ameriprise was recognized as a “Best Place to Work” on the Disability Equality Index® by the American Association of People with Disabilities (AAPD) and Disability:IN, and as a Military Friendly® Employer by VIQTORY. The firm is also included in the Bloomberg Gender Equality Index and three FTSE4Good indices.
