

ChromaDex to Report Third Quarter 2015 Financial Results on Thursday, November 12, 2015

2015-11-03

Company Will Host Investor Conference Call on Monday, November 16, 2015

IRVINE, Calif., Nov. 03, 2015 (GLOBE NEWSWIRE) -- ChromaDex Corp. (OTCQX:CDXC), an innovator of proprietary health, wellness, and nutritional ingredients that creates science-based solutions for dietary supplements, food and beverage, skin care, sports nutrition, and pharmaceutical products, announced today that it plans on reporting its third quarter 2015 financial results on Thursday, November 12, after the close of the financial markets.

ChromaDex management will host an investor conference call to discuss the quarterly results and provide a general business update on Monday, November 16, at 11am EST.

Participants should call in at least 10 minutes prior to the call. The dial-in information is as follows:

U.S. Toll-Free Number:
International Dial-In Number:
Conference ID:

(866) 327-8118
(678) 509-7526
74212372

The webcast replay will be available after the completion of the call on the Investor Relations section of the Company website, www.chromadex.com.

The earnings press release, and its accompanying financial exhibits, will be available on the Investor Relations section of the Company website, www.chromadex.com.

About ChromaDex:

ChromaDex leverages its complementary business units to discover, acquire, develop and commercialize patented and proprietary ingredient technologies that address the dietary supplement, food, beverage, skin care and pharmaceutical markets. In addition to our ingredient technologies unit, we also have business units focused on natural product fine chemicals (known as "phytochemicals"), chemistry and analytical testing services, and product regulatory and safety consulting (known as Spherix Consulting). As a result of our relationships with leading universities and research institutions, we are able to discover and license early stage, IP-backed ingredient technologies. We then utilize our in-house chemistry, regulatory and safety consulting business units to develop commercially viable ingredients. Our ingredient portfolio is backed with clinical and scientific research, as well as extensive IP protection. Our portfolio of patented ingredient technologies includes NIAGEN® nicotinamide riboside; pTeroPure® pterostilbene; PUREENERGY®, a caffeine-pTeroPure® co-crystal; ProC3G®, a natural black rice containing cyanidin-3-glucoside; IMMULINA™, a spirulina extract; and Suntava® Purple Corn derived from a proprietary non-GMO purple corn hybrid which contains an extraordinarily high level of anthocyanins. Forward-Looking Statements:

This release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities and Exchange Act of 1934, as amended. Statements that are not a description of historical facts constitute forward-looking statements and may often, but not always, be identified by the use of such words as "expects", "anticipates", "intends", "estimates", "plans", "potential", "possible", "probable", "believes", "seeks", "may", "will", "should", "could" or the negative of such terms or other similar expressions. Actual results may differ materially from those set forth in this release due to the risks and uncertainties inherent in ChromaDex's business. More detailed information about ChromaDex and the risk factors that may affect the realization of forward-looking statements is set forth in ChromaDex's Annual Report on Form 10-K for the fiscal year ended January 3, 2015, ChromaDex's Quarter Reports on Form 10-Q and other filings submitted by ChromaDex to the SEC, copies of which may be obtained from the SEC's website at www.sec.gov. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. All forward-looking statements are qualified in their entirety by this cautionary statement and ChromaDex undertakes no obligation to revise or update this release to reflect events or circumstances after the date hereof.

Statements in this press release have not been evaluated by the Food and Drug Administration. Products or ingredients are not intended to diagnose, treat, cure or prevent any disease.
