# IGT Elevates Entertainment at Harrington Raceway and Casino via Multi-Product Systems Agreement

5/25/2022

Delaware casino upgrades IGT ADVANTAGE™ deployment and introduces range of IGT content, convenience and bonusing systems

LONDON, May 25, 2022 /PRNewswire/ -- International Game Technology PLC ("IGT") (NYSE: IGT) announced today that it recently signed a multi-product systems technology agreement with Harrington Raceway and Casino. The comprehensive, multi-year systems deal will enable Harrington Raceway and Casino to further optimize its gaming floor, reward players and elevate excitement through a variety of IGT solutions.

Under the terms of the agreement, Harrington Raceway and Casino will upgrade its gaming floor by deploying the latest iteration of the IGT ADVANTAGE casino management system. For the first time, the casino will also deploy IGT's TournXtreme™ tournament technology and the Mobile Host and Mobile Responder apps. TournXtreme will enable Harrington Raceway and Casino to engage guests with spirited video slot tournaments and quickly shift gaming machines between cash-in and tournament modes. IGT's Mobile Host and Mobile Responder systems apps will help Harrington Raceway and Casino increase performance and productivity through real-time slot floor incident updates that are delivered directly to a personal mobile device.

"Harrington Raceway and Casino looks forward to modernizing our gaming floor through an IGT ADVANTAGE upgrade and the introduction of IGT systems technologies such as TournXtreme, Mobile Host and Mobile Responder," said **Mark Schrecengost, Harrington Raceway and Casino General Manager**. "IGT ADVANTAGE has been the backbone of our casino for many years, and we're excited to enter a new era of our systems partnership with IGT via solutions that will help us boost productivity and service, elevate our guests' play and loyalty and position us for growth."

"The combination of IGT systems products that Harrington Raceway and Casino will deploy on its gaming floor can quickly make a positive impact on casino productivity and guest satisfaction," said **Ryan Reddy, IGT SVP Global PMM VLT, Systems, Video Poker and Payments**. "By deploying multiple IGT systems solutions concurrently, Harrington Raceway and Casino can achieve peak value from their systems investment, operate with agility and seamlessly adopt new and emerging gaming trends in the future."

Through a phased deployment, Harrington Raceway and Casino will also feature the following IGT systems solution on its gaming floor:

- M5: IGT's HTML-based service window content management tool that enables the casino to offer personalized in-game offers, bonuses and rewards;
- Bonus Box: a comprehensive bonusing application bundle that includes player-favorite and new bonuses such as Lucky Coin, Slot Lotto and Lucky Draw; and
- AVENTO: IGT's new hardware platform is built from the ground up to support IGT's innovative casino modernization products including Cardless Connect™ mobile loyalty card technology, Resort Wallet cashless technology and enhanced in-game content.
