Qullqi SAC inks multi-casino deal to leverage IGT's Floor Manager across its seven casinos in Peru and become first operator in region to adopt cloud-based game delivery

LONDON – Sept. 29, 2022 – International Game Technology PLC ("IGT") (NYSE: IGT) announced today that it signed a multi-site technology agreement with Qullqi SAC ("Qullqi") to deploy IGT's award-winning Floor Manager systems technology at Qullqi's seven casinos across Peru including: Casino Macao and Casino Montecarlo in Loreto, Casino Masaris Paita and Casino Gambinos Paita in Piura, Casino Carrusel and Casino Crystal Palace in Lima and Casino La Torre De Babel in Ica.

IGT's Floor Manager is a system-agnostic, cloud-based solution that will give Qullqi immediate access to dozens of downloadable IGT slots games. "We believe Floor Manager will help our casinos throughout Peru better meet the demands of all our slot players, accurately conduct gaming floor performance audits and ultimately support our growth targets across the enterprise."

"Qullqi's strategic decision to deploy IGT's Floor Manager across its enterprise in Peru will give them a competitive edge when it comes to real-time access to IGT's high-performing game library and comprehensive business

analytics tools," said David Flinn, IGT SVP Canada, South and Central America, Gaming. "Through our 'Reactiva Peru by IGT' initiative, we've spent a tremendous amount of time with our customers, assessing their needs and enabling the deployment of transformative IGT proprietary solutions such as Floor Manager."
