IGT Introduces High-Performing Omnichannel Games in Alberta

6/21/2023

Company expands footprint of popular Powerbucks™ and MegaJackpots™ games in Canada via launch on PlayAlberta.ca

LONDON – June 21, 2023 - International Game Technology PLC (“IGT”) (NYSE: IGT) announced today the expansion of its high-performing omnichannel Powerbucks games and popular MegaJackpots games in Canada via a deployment on the Alberta Gaming, Liquor and Cannabis (AGLC) online gaming site PlayAlberta.ca. This launch marks the first time that IGT’s Powerbucks and MegaJackpots games are deployed coast-to-coast across Canada.

Powerbucks is the world’s first omnichannel WAP game that links the jackpot prize pool between gaming machines found in land-based casinos with digital-based games. MegaJackpots is IGT PlayDigital’s exclusively digital wide area progressive jackpot network.

“IGT is thrilled to expand our wildly successful Powerbucks network to AGLC, now delivering the excitement of these omnichannel WAP jackpot games to players across all Canadian jurisdictions where online gaming is legal and regulated,” said David Flinn, IGT SVP, Canada, South and Central America. “AGLC players will have even more opportunities to win big rewards with the launch of IGT PlayDigital’s MegaJackpots games featuring top-performing IGT themes. For AGLC, our wide area progressive games help differentiate its online casino, drive growth and provide the ultimate player experiences.”

Players in Alberta can now have the opportunity to win jackpots playing exciting, player-favorite titles such as Powerbucks™ Wheel of Fortune® Exotic Far East™ and Wheel of Fortune® Ruby Riches™, and MegaJackpots Cleopatra™ and Wolf Run™.
