# IGT Delivers Scan and Redeem Solution to South Dakota Lottery via Five-Year Contract Extension

11/1/2023

LONDON, Nov. 1, 2023 /PRNewswire/ -- International Game Technology PLC ("IGT") (NYSE:IGT) today announced that its subsidiary, IGT Global Solutions Corporation, has extended its contract with the South Dakota Lottery for five years, until 2031. As part of this contract extension, IGT will deliver its Scan and Redeem solution, enabling South Dakota Lottery players to scan a draw-based or instant scratch ticket and redeem winnings from \$101 - \$5,000 directly into their linked bank account, via automated clearing house (ACH) transfer.

"By introducing IGT's Scan and Redeem functionality, South Dakota Lottery offers players the opportunity to have expanded options to receive their winnings, rather than needing to drive several hours to a redemption center or wait for checks to be delivered in the mail," said **Norm Lingle, South Dakota Lottery Executive Director**. "IGT has been our trusted growth partner for nearly 15 years, and we are pleased to extend this successful partnership for five more years, providing more convenient lottery solutions to our players."

"IGT's Scan and Redeem component offers enhanced player options to better accommodate the South Dakota Lottery and its players," said **Jay Gendron, IGT Chief Operating Officer, Global Lottery**. "Our lottery technology is backed by decades of lottery industry leadership and incorporates the most secure, reliable and responsible functionality. Over the course of this extension, we are confident that the Lottery will continue to benefit from our advanced solutions, resulting in increased funds for the State's good causes."
