# IGT Mystery of the Lamp Wins “Top Performing New Premium Game” Among Multiple Company EKG Slot Awards

3/5/2024

Company continues six-year winning streak in video poker category and collects first IGT PlayDigital™ victory

LONDON – March 5, 2024 – International Game Technology PLC (“IGT”) (NYSE:IGT) today announced that its high-performing and widely deployed Mystery of the Lamp™ multi-level progressive (MLP) game was named “Top Performing NEW Premium Game” among multiple awards at the 2024 EKG Slot Awards Show. This awards program is produced by Eilers & Krejcik Gaming (EKG) and recognizes excellence in slot game development in the casino gaming industry.

IGT’s popular Super Hot Roll™ Poker game won the “Top Performing Video Poker Game” distinction and continued the Company’s six-year winning streak of the category, while IGT PlayDigital’s Multihand Blackjack Poker & Pairs game won “Top Performing NEW Online Table Game.”

“IGT winning multiple categories at the 2024 EKG Slot Awards Show is a terrific honor that exemplifies the Company’s commitment to excellence and performance across our omnichannel game portfolio,” said Nick Khin, IGT Chief Operating Officer, Gaming. “IGT’s Mystery of the Lamp capturing the title of ‘Top Performing NEW Premium Game’ was a milestone achievement that reinforces our leadership in quality premium content, momentum in the MLP space and the vast talents of IGT’s game design teams.”

IGT’s Mystery of the Lamp game debuted in 2023 as the launch title for the Company’s high-performing PeakCurve49 cabinet. With a distinctive, vibrant art package and proven persistence mechanics, Mystery of the Lamp quickly topped EKG game performance charts and became a must-have on casino floors. Today, IGT has approximately 1,500 Mystery of the Lamp games in casinos across North America, supports four base-game

themes and is extending the game's success to iGaming and international markets this year.

#### Cautionary Statement Regarding Forward-Looking Statements

This news release may contain forward-looking statements (including within the meaning of the Private Securities Litigation Reform Act of 1995) concerning International Game Technology PLC and its consolidated subsidiaries (the "Company") and other matters. These statements may discuss goals, intentions, and expectations as to future plans, trends, events, dividends, results of operations, or financial condition, or otherwise, based on current beliefs of the management of the Company as well as assumptions made by, and information currently available to, such management. Forward-looking statements may be accompanied by words such as "aim," "anticipate," "believe," "plan," "could," "would," "should," "shall," "continue," "estimate," "expect," "forecast," "future," "guidance," "intend," "may," "will," "possible," "potential," "predict," "project" or the negative or other variations of them. These forward-looking statements speak only as of the date on which such statements are made and are subject to various risks and uncertainties, many of which are outside the Company's control. Should one or more of these risks or uncertainties materialize, or should any of the underlying assumptions prove incorrect, actual results may differ materially from those predicted in the forward-looking statements and from past results, performance, or achievements. Therefore, you should not place undue reliance on such statements. Factors that could cause actual results to differ materially from those in the forward-looking statements include (but are not limited to) the factors and risks described in the Company's annual report on Form 20-F for the financial year ended December 31, 2022 and other documents filed from time to time with the SEC, which are available on the SEC's website at [www.sec.gov](http://www.sec.gov) and on the investor relations section of the Company's website at [www.IGT.com](http://www.IGT.com). Except as required under applicable law, the Company does not assume any obligation to update these forward-looking statements. You should carefully consider these factors and other risks and uncertainties that affect the Company's business. All forward-looking statements contained in this news release are qualified in their entirety by this cautionary

statement. All subsequent written or oral forward-looking statements attributable to International Game Technology PLC, or persons acting on its behalf, are expressly qualified in their entirety by this cautionary statement.
