IGT Introduces Compelling Core Video and Class II Games for Tribal Casinos at Indian Gaming Tradeshow & Convention 2024

4/2/2024

IGT to highlight the Whitney Houston slots WAP game on the SkyRise™ cabinet and debut an array of high-performing core video games, a Class II version of Mystery of the Lamp™, the highly anticipated Tiger and Dragon™ MLP, and more

LONDON, April 2, 2024 /PRNewswire/ -- International Game Technology PLC ("IGT") (NYSE: IGT) announced today that it will showcase its performance-focused portfolio of games and solutions for tribal casinos at the Indian Gaming Tradeshow & Convention ("IGA") 2024, April 9-11 in Anaheim, Calif. Under the theme "We've Got Game," IGT's booth #536 will feature a compelling array of gaming solutions designed to engage players and drive growth.

"Each year, IGA presents a productive environment for IGT to connect with our valued tribal gaming customers, honor their vital role in gaming innovation and evolution, and showcase our latest games and solutions designed to help them achieve growth," said **Nick Khin, IGT Chief Operating Officer, Gaming**. "Our IGA 2024 portfolio will feature new core video games such as Rising Rockets™ and Split 'N Win Link™, a Class-II version of Mystery of the Lamp and the highly anticipated Tiger and Dragon multi-level progressive."

In addition to showcasing products and services at IGA 2024, IGT will host the annual Spirit of Sovereignty Slot Tournament, which benefits tribal youth through tribal college scholarships and reservation-based youth programming. On April 10, immediately following the trade show floor opening, attendees are invited to watch gaming industry professionals and dignitaries compete in a Stinkin' Rich™-themed slot tournament powered by IGT's TournXtreme™ tournament technology.

Key products and services in IGT's IGA 2024 booth will include:

- Performance-Proven Core Video Game Portfolio: With a leading portrait screen cabinet in the market, IGT will showcase its latest portfolio of core video games on Peak-family hardware. Anchored by the Magic Treasures™, Rising Rockets, Split 'N Win Link and Pirate Link™ games, IGT's core video portfolio reflects market trends and player preferences.
- Mystery of the Lamp, Class II Version: IGT will summon a new era of Class II performance and entertainment with the trade show debut of a Class II version of the chart-topping Mystery of the Lamp game, recently awarded "Top Performing New Premium Game" at the EKG Slot Awards. Housed on the PeakCurve™49 cabinet, the Class II iteration of Mystery of the Lamp features many of the same play mechanics, base game themes, and art packages that propelled the success of the Class III version. IGA attendees can also enjoy new Class II IGT games such as Magic Treasures, Twin Win™, and Shadow of the Panther™. Additionally, IGT will debut the custom Washington CDS brand extension of the popular title Lotus Flower, introducing Lotus Flower Link, as well as many other popular titles including Tiger and Dragon Cash on Reels and the new Pirate Link games.
- Whitney Houston Slots on the SkyRise Cabinet: IGA 2024 will hit a high note with IGT's dazzling, soon-to-launch Whitney Houston Slots game. Packed with concert footage and iconic imagery of the global superstar, IGT's Whitney Houston Slots game is an exciting Wide-Area Progressive ("WAP") game that packages proven game mechanics with entertaining gameplay on the all-new, attention-grabbing SkyRise cabinet. Featuring two 55-inch progressively curved displays and the latest in graphic and sound technology, the SkyRise cabinet creates a jackpot beacon on the casino floor.
- Captivating New Multi-Level Progressive ("MLP"), Tiger and Dragon: Building on IGT's continued momentum in the MLP segment, IGT will roll out the red carpet for its newest MLP game, Tiger and Dragon. This action-packed game features "money on reels" along with player-favorite persistence mechanics and three compelling bonuses. Tiger and Dragon will be joined by IGT MLPs that excel on Eiler's and Krejci's performance charts, including Mystery of the Lamp, Prosperity Link and Egyptian Link.
- IGT's MESA 4K Electronic Table Games ("ETG") Terminal: Making its first IGA appearance, IGT's MESA 4K ETG terminal advances the segment. Recently deployed in Indiana and Ontario, Canada, the MESA 4K terminal features a 27-inch 4K ultra-HD display and offers a new player interface that permits players to play up to four games simultaneously. It features a highly configurable terminal design, a range of flexible and scalable merchandising options, and enables players to seamlessly enjoy RNG and dealer-assisted games in a hybrid configuration.
- Elevating the Player Experience with IGT ADVANTAGE™: As the casino management systems provider to tribal casinos throughout Indian Country, IGT will demonstrate how the IGT ADVANTAGE CMS, featuring bus-based FloorNet architecture, can help operators maximize player convenience, elevate player loyalty and streamline operational functions. Features include innovative gifting, jackpot processing and more through systems modules such as iReserve, Taxable Accrual and Beverage on Demand. IGT will also showcase its award-

winning cashless solution, Resort Wallet™ and IGTPay™, which is compatible with more than 50 unique funding sources and deployed at multiple tribal casinos across the U.S. Additionally, IGT will showcase how the Company is leveraging cloud technology to increase system uptime and speed-to-market.

In support of IGT's Sustainable Play™ global sustainability initiative, the Company will sponsor IGA's first-ever Consumer Protection Zone, an interactive space showcasing the most effective tools and technologies for a more responsible and safe gambling operation.

Cautionary Statement Regarding Forward-Looking Statements

This news release may contain forward-looking statements (including within the meaning of the Private Securities Litigation Reform Act of 1995) concerning International Game Technology PLC and its consolidated subsidiaries (the "Company") and other matters. These statements may discuss goals, intentions, and expectations as to future or anticipated plans, trends, events, customer relationships, product and service benefits, results of operations, or financial condition, or otherwise, based on current beliefs of the management of the Company as well as assumptions made by, and information currently available to, such management. Forward-looking statements may be accompanied by words such as "aim," "anticipate," "believe," "plan," "could," "would," "should," "shall," "continue," "estimate," "expect," "forecast," "future," "guidance," "intend," "may," "will," "possible," "potential," "predict," "project" or the negative or other variations of them. These forward-looking statements speak only as of the date on which such statements are made and are subject to various risks and uncertainties, many of which are outside the Company's control. Should one or more of these risks or uncertainties materialize, or should any of the underlying assumptions prove incorrect, actual results may differ materially from those predicted in the forward-looking statements and from past results, performance, or achievements. Therefore, you should not place undue reliance on such statements. Factors that could cause actual results to differ materially from those in the forward-looking statements include (but are not limited to) the factors and risks described in the Company's annual report

on Form 20-F for the financial year ended December 31, 2023 and other documents filed from time to time with the SEC, which are available on the SEC's website at www.sec.gov and on the investor relations section of the Company's website at www.IGT.com. Except as required under applicable law, the Company does not assume any obligation to update these forward-looking statements. You should carefully consider these factors and other risks and uncertainties that affect the Company's business. All forward-looking statements contained in this news release are qualified in their entirety by this cautionary statement. All subsequent written or oral forward-looking statements attributable to International Game Technology PLC, or persons acting on its behalf, are expressly qualified in their entirety by this cautionary statement.
