

NEWS RELEASE

IGT Awarded Contract for Video Lottery Terminal Central Monitoring System by Ohio Lottery Commission

6/25/2024

LONDON, June 25, 2024 /PRNewswire/ -- International Game Technology PLC ("IGT") (NYSE:IGT) today announced that it has won a competitive bidding process to provide the Ohio Lottery Commission's video lottery terminal (VLT) central monitoring system, with a contract effective May 31, 2024 through June 30, 2033. The agreement includes an option for Ohio to renew the contract for up to two additional one-year terms.

Under the terms of the agreement, IGT will provide its advanced Intelligen™ central monitoring system hardware and software, with continual monitoring and support for more than 10,000 video lottery terminal machines distributed throughout seven racinos across Ohio: Belterra Park Cincinnati, Eldorado Scioto Downs, Jack Thistledown Racino, Hollywood Gaming Dayton Raceway, Hollywood Gaming Mahoning Valley Race Course, MGM Northfield Park and Miami Valley Gaming.

"We look forward to providing IGT's leading VLT products and solutions to the Ohio Lottery Commission," said **Nick Khin, IGT Chief Operating Officer, Gaming**. "Winning this highly competitive RFP process is a testament to IGT's significant innovation, dedication to central monitoring systems, and the great team of professionals that continue to propel our success."

Cautionary Statement Regarding Forward-Looking Statements

This news release may contain forward-looking statements (including within the meaning of the Private Securities Litigation Reform Act of 1995) concerning International Game Technology PLC and its consolidated subsidiaries (the "Company") and other matters. These statements may discuss goals, intentions, and expectations as to future plans, trends, events, products and services, customer relationships, results of operations, or financial condition, or otherwise, based on current beliefs of the management of the Company as well as assumptions made by, and information currently available to, such management. Forward-looking statements may be accompanied by words such as "aim," "anticipate," "believe," "plan," "could," "would," "should," "shall," "continue," "estimate," "expect," "forecast," "future," "guidance," "intend," "may," "will," "possible," "potential," "predict," "project" or the negative or other variations of them. These forward-looking statements speak only as of the date on which such statements are made and are subject to various risks and uncertainties, many of which are outside the Company's control. Should one or more of these risks or uncertainties materialize, or should any of the underlying assumptions prove incorrect, actual results may differ materially from those predicted in the forward-looking statements and from past results, performance, or achievements. Therefore, you should not place undue reliance on such statements. Factors that could cause actual results to differ materially from those in the forward-looking statements include (but are not limited to) the factors and risks described in the Company's annual report on Form 20-F for the financial year ended December 31, 2023 and other documents led from time to time with the SEC, which are available on the SEC's website at www.sec.gov and on the investor relations section of the Company's website at www.IGT.com. Except as required under applicable law, the Company does not assume any obligation to update these forward-looking statements. You should carefully consider these factors and other risks and uncertainties that affect the Company's business. All forward-looking statements contained in this news release are qualified in their entirety by this cautionary statement. All subsequent written or oral forward-looking statements attributable to International Game Technology PLC, or persons acting on its behalf, are expressly qualified in their entirety by this cautionary statement.
