

NEWS RELEASE

# IGT Introduces Localized Games and Jackpot Links at Australasian Gaming Expo 2024

7/31/2024

LONDON – July 31, 2024 – International Game Technology PLC (“IGT”) (NYSE: IGT) announced today that it will present a compelling portfolio of localized games and systems solutions at the Australasian Gaming Expo (“AGE”) 2024, Aug. 13-15 in Sydney. The three-day event is hailed as the region’s largest gaming trade show and presents an important opportunity for IGT to showcase the strength and diversity of its localized games and systems portfolio.

“IGT looks forward to welcoming our customers to the Australasian Gaming Expo 2024 and presenting our newest portfolio of regionally attuned content and systems innovations,” said Dallas Orchard, IGT SVP and Chief Operating Officer, APAC. “IGT’s AGE 2024 portfolio is designed to capture regional growth opportunities through new games such as Extra Extra Chance, localized versions of global sensations such as Mystery of the Lamp, and next-generation titles such as Pot of Gold Cash Pot. We will also leverage AGE to demonstrate how IGT ADVANTAGE CLUB and our cashless gaming technologies are readily driving modernization in the region and beyond.”

With an assortment of standalone and link games that feature a range of volatilities, IGT’s AGE portfolio in stand 590 will highlight products such as:

- Extra Extra Chance™ – this new link and standalone progressive series gives an extra boost of fun to IGT’s proven and popular Extra Chance mechanic via the opportunity to win additional credit prizes, multipliers, and bonuses. This link is compatible with 'O' Link and features nostalgic IGT titles such as Blue Moon® II and Money Beans®.
- Eternal Riches™ – this dynamic link and standalone progressive series features popular Hold 'N' Spin mechanics with the addition of a super symbol for additional chances to win.
- Fire Dragon® – this sizzling link and standalone progressive series offers a familiar Hold 'N' Spin gameplay experience with a new compelling mechanic on the center reel that fires up gameplay opportunities

- Mystery of the Lamp™ – this award-winning global performer has been tailored to the Australian market, offering a dynamic player experience powered by the proven Lock and Respin bonus, gorgeous graphics and more.
- Pot of Gold™ Cash Pot – this game is an evolution of IGT's successful standalone performer, Pot of Gold, and offers an enhanced Hold 'N' Spin bonus feature for a new spin on a proven gameplay mechanic.

IGT will also highlight the many benefits of its IGT ADVANTAGE CLUB® system solution and demonstrate how it can enable regional operators to become more agile and boost player loyalty. Celebrating the 10-year anniversary of its Service Window systems technology, IGT will showcase how the solution can enhance cashless gaming, systems-based jackpots, gaming floor performance, and customer satisfaction. IGT will also spotlight the capabilities of its cardless and cashless gaming solutions and demonstrate how these technologies can meet players' needs for digital solutions while also delivering a range of operator benefits.

#### Cautionary Statement Regarding Forward-Looking Statements

This news release may contain forward-looking statements (including within the meaning of the Private Securities Litigation Reform Act of 1995) concerning International Game Technology PLC and its consolidated subsidiaries (the "Company") and other matters. These statements may discuss goals, intentions, and expectations as to future plans, trends, events, products and services, customer relationships, results of operations, or financial condition, or otherwise, based on current beliefs of the management of the Company as well as assumptions made by, and information currently available to, such management. Forward-looking statements may be accompanied by words such as "aim," "anticipate," "believe," "plan," "could," "would," "should," "shall," "continue," "estimate," "expect," "forecast," "future," "guidance," "intend," "may," "will," "possible," "potential," "predict," "project" or the negative or other variations of them. These forward-looking statements speak only as of the date on which such statements are made and are subject to various risks and uncertainties, many of which are outside the Company's control. Should

one or more of these risks or uncertainties materialize, or should any of the underlying assumptions prove incorrect, actual results may differ materially from those predicted in the forward-looking statements and from past results, performance, or achievements. Therefore, you should not place undue reliance on such statements. Factors that could cause actual results to differ materially from those in the forward-looking statements include (but are not limited to) the factors and risks described in the Company's annual report on Form 20-F for the financial year ended December 31, 2023 and other documents led from time to time with the SEC, which are available on the SEC's website at [www.sec.gov](http://www.sec.gov) and on the investor relations section of the Company's website at [www.IGT.com](http://www.IGT.com). Except as required under applicable law, the Company does not assume any obligation to update these forward-looking statements. You should carefully consider these factors and other risks and uncertainties that affect the Company's business. All forward-looking statements contained in this news release are qualified in their entirety by this cautionary statement. All subsequent written or oral forward-looking statements attributable to International Game Technology PLC, or persons acting on its behalf, are expressly qualified in their entirety by this cautionary statement.
