

NEWS RELEASE

IGT PlayDigital Announces US iGaming Market Arrival of Award-Winning Prosperity Link Game

7/8/2024

One of the gaming industry's most celebrated land-based multi-level progressive games is now available online in five US states

LONDON, July 8, 2024 /PRNewswire/ -- International Game Technology PLC ("IGT") (NYSE: IGT) announced today that IGT PlayDigital™ recently added the highly anticipated Prosperity Link™ game to its iGaming content library in the U.S. This development makes the widely recognized casino game available for commercial iGaming operators in Pennsylvania, Michigan, New Jersey, Connecticut and West Virginia.

"Providing our customers with multi-channel content such as Prosperity Link is an important differentiator for IGT PlayDigital and a cornerstone of our global content strategy," said **Gil Rotem, IGT PlayDigital President.**

"Given Prosperity Link's continued success in gaming venues worldwide, players have developed an affinity for the game, and readily enjoy its compelling gameplay and bonus mechanics."

IGT's Prosperity Link Wan Shi Ru Yi™ is the first title of the Prosperity Link game family to launch online in the U.S. The game features a 5x3 reel configuration, offers 243 ways to win and includes many of the same innovative game mechanics such as Money Balls and Prosperity Pots that propelled the success of the land-based version of the game. IGT PlayDigital plans to release additional Prosperity Link game themes online in 2024, the next one being Prosperity Link Cai Yun Heng Tong™.

IGT's land-based Prosperity Link game was named "Best Slot Product" in the 2022 GGB Gaming & Technology Awards and amassed a significant player fanbase through deployments around the world. IGT currently offers six distinct Prosperity Link base game themes.

Cautionary Statement Regarding Forward-Looking Statements

This news release may contain forward-looking statements (including within the meaning of the Private Securities Litigation Reform Act of 1995) concerning International Game Technology PLC and its consolidated subsidiaries (the "Company") and other matters. These statements may discuss goals, intentions, and expectations as to future plans, trends, events, products and services, customer relationships, results of operations, or financial condition, or otherwise, based on current beliefs of the management of the Company as well as assumptions made by, and information currently available to, such management. Forward-looking statements may be accompanied by words such as "aim," "anticipate," "believe," "plan," "could," "would," "should," "shall," "continue," "estimate," "expect," "forecast," "future," "guidance," "intend," "may," "will," "possible," "potential," "predict," "project" or the negative or other variations of them. These forward-looking statements speak only as of the date on which such statements are made and are subject to various risks and uncertainties, many of which are outside the Company's control. Should one or more of these risks or uncertainties materialize, or should any of the underlying assumptions prove incorrect, actual results may differ materially from those predicted in the forward-looking statements and from past results, performance, or achievements. Therefore, you should not place undue reliance on such statements. Factors that could cause actual results to differ materially from those in the forward-looking statements include (but are not limited to) the factors and risks described in the Company's annual report on Form 20-F for the financial year ended December 31, 2023 and other documents led from time to time with the SEC, which are available on the SEC's website at www.sec.gov and on the investor relations section of the Company's website at www.igt.com. Except as required under applicable law, the Company does not assume any obligation to update these forward-looking statements. You should carefully consider these factors and other risks and uncertainties that affect the Company's business. All forward-looking statements contained in this news release are qualified in their entirety by this cautionary statement. All subsequent written or oral forward-looking statements attributable to International Game Technology PLC, or persons acting on its behalf, are expressly qualified in their entirety by this cautionary statement.
