IGT's Tiger and Dragon Multi-Level Progressive Game Wins "Best Slot Product" in 2025 GGB Gaming & Technology Awards

2024-10-03

Company continues winning streak in premium MLP category with breakout performer Tiger and Dragon achieving Gold in coveted award category; IGT PlaySports and IGT Slot Marker recognized for excellence with Silver awards

LONDON, Oct. 3, 2024 /PRNewswire/ -- International Game Technology PLC ("IGT") (NYSE: IGT) announced today that its Tiger and Dragon™ multi-level progressive ("MLP") game won the "Best Slot Product" category in the 2025 GGB Gaming & Technology Awards. Sponsored by Global Gaming Business Magazine, the GGB Gaming & Technology Awards are one of the casino industry's most prestigious awards, recognizing excellence and innovation in technology, products, and services that enhance the gaming experience.

Introduced in May 2024, IGT's Tiger and Dragon MLP game quickly achieved chart-topping success, landing in the number-one position on Eilers & Krejcik's US & Canada Game Performance Report in the "Top Indexing NEW Games – Premium Leased & WAP" category for three consecutive months. Since its debut, Tiger and Dragon's performance increased month-over-month, sustaining at approximately 3x zone and house average. Housed on the sleek PeakCurve™49 cabinet, the theme is available in two compelling base games, Tiger and Dragon Cash on Reels, and Tiger and Dragon Multipliers.

"IGT winning 'Best Slot Product' for Tiger and Dragon in the 2025 GGB Gaming & Technology Awards reflects our continued momentum and leadership in the premium MLP category," said **Nick Khin, IGT President, Global Gaming**. "As demonstrated by this outstanding recognition, Tiger and Dragon leverages IGT's successful formula of proven mechanics and captivating design to create a game that our customers can confidently deploy. We look forward to introducing new evolutions of the Tiger and Dragon theme at G2E."

"This year's GGB Gaming & Technology Awards nominations represented the very best in gaming entertainment and innovation across many product categories," said **Roger Gros, Global Gaming Business Magazine Publisher**. "IGT's Tiger and Dragon multi-level progressive slots demonstrate ingenuity in a rapidly changing industry, and we are pleased to recognize the game with the Gold award in the 'Best Slot Product' category."

Leveraging the success of the Tiger and Dragon theme, this year at G2E, IGT will unveil three new games for the brand. Packed with engaging bonuses, Tiger and Dragon Super Gong and Tiger and Dragon Super Bonus will debut on the PeakCurve™ 49 cabinet, and Tiger and Dragon Super Arrow will be introduced on the towering SkyRise™ cabinet.

IGT was also recognized in the awards program for its excellence in casino management system ("CMS") innovation and sports betting leadership. IGT's Slot Marker technology, a module of IGT ADVANTAGE™ X that enables players to seamlessly access casino-held credit markers directly on a slot machine, won the Silver award in the "Best Consumer-Service Technology" category. For the second consecutive year, IGT PlaySports™ was recognized with the Silver award in the "Best Sports Betting Product" category.

IGT's end-to-end portfolio of gaming solutions will be displayed in its G2E booth 3659 at the Global Gaming Expo (G2E), October 7-10 in Las Vegas, Nev.

Cautionary Statement Regarding Forward-Looking Statements

This news release may contain forward-looking statements (including within the meaning of the Private Securities Litigation Reform Act of 1995) concerning International Game Technology PLC and its consolidated subsidiaries (the "Company") and other matters. These statements may discuss goals, intentions, and expectations as to future

plans, trends, events, products and services, customer relationships, results of operations, or financial condition, or otherwise, based on current beliefs of the management of the Company as well as assumptions made by, and information currently available to, such management. Forward-looking statements may be accompanied by words such as "aim," "anticipate," "believe," "plan," "could," "would," "should," "shall," "continue," "estimate," "expect," "forecast," "future," "guidance," "intend," "may," "will," "possible," "potential," "predict," "project" or the negative or other variations of them. These forward-looking statements speak only as of the date on which such statements are made and are subject to various risks and uncertainties, many of which are outside the Company's control. Should one or more of these risks or uncertainties materialize, or should any of the underlying assumptions prove incorrect, actual results may differ materially from those predicted in the forward-looking statements and from past results, performance, or achievements. Therefore, you should not place undue reliance on such statements. Factors that could cause actual results to differ materially from those in the forward-looking statements include (but are not limited to) the factors and risks described in the Company's annual report on Form 20-F for the financial year ended December 31, 2023 and other documents led from time to time with the SEC, which are available on the SEC's website at www.sec.gov and on the investor relations section of the Company's website at www.IGT.com. Except as required under applicable law, the Company does not assume any obligation to update these forward-looking statements. You should carefully consider these factors and other risks and uncertainties that affect the Company's business. All forward-looking statements contained in this news release are qualified in their entirety by this cautionary statement. All subsequent written or oral forward-looking statements attributable to International Game Technology PLC, or persons acting on its behalf, are expressly qualified in their entirety by this cautionary statement.
