Brightstar Lottery Delivers Enhanced Retail Central System to Lottotech in Mauritius

2026-05-12

Company extends its longtime relationship with the operator of the Mauritius National Lottery with new multi-year contract agreement

LONDON, May 12, 2026 /PRNewswire/ -- Brightstar Lottery PLC (NYSE: BRSL) ("Brightstar") announced today that its subsidiaries, Brightstar Global Solutions Corporation and Brightstar Lottery Cyprus Limited, have signed a multi-year contract extension with Lottotech, the operator of the Mauritius National Lottery. Brightstar will deploy an advanced lottery central system to unlock further benefits for Lottotech. Additionally, Brightstar will replace all lottery terminals with its latest hardware, the RetailerPro S2, which will feature Brightstar's cutting-edge terminal application platform, OpenRetail.

"Extending Lottotech's trusted relationship with Brightstar into its third decade through this latest contract underscores our shared commitment to long-term innovation and growth," said Moorghen Veeramootoo, Lottotech Chief Executive Officer. "Enhancing our central system marks a significant milestone for Lottotech, enabling greater agility, flexibility, and disaster tolerance as we enhance the player and retailer experiences while positioning our business for continued success."

"As Lottotech's exclusive retail lottery technology partner since its inception, Brightstar has continuously pushed boundaries to revolutionize products that benefit and complement the expectations of today's modern lottery," said Marco Tasso, Brightstar Chief Operating Officer International and Italy Operations. "We are excited to deliver our next-generation terminals and deploy our advanced central system to Lottotech, a natural next step in the evolution of Lottotech's business critical operations."

Engineered for speed and reliability, Brightstar's Retailer Pro S2 is powered by a high-performance processor that ensures rapid transaction processing. Its ergonomic, modular design supports multiple player-facing displays and a broad range of peripherals enabling flexible and engaging player interactions. Brightstar's OpenRetail software is designed to streamline lottery operations with unmatched versatility and efficiency. Built on a single code line, updates and new features can be deployed easily across all point-of-sale devices.
