

VITAL FARMS, INC.

CORPORATE GOVERNANCE GUIDELINES

Vital Farms, Inc. (the “**Company**”) has established the following guidelines for the conduct and operation of its Board of Directors (the “**Board**”). These guidelines are designed to give directors a flexible framework for effectively pursuing the Company’s objectives for the benefit of its stockholders, those materially affected by the Company’s conduct, and the public benefits outlined in the Company’s charter. These guidelines should be interpreted in the context of all applicable laws, the Company’s charter documents, and the Company’s other policies.

I. BOARD COMPOSITION AND SELECTION

Size of the Board

The Board will establish the number of directors in accordance with the certificate of incorporation and amended and restated bylaws (the “**Bylaws**”) of the Company. The Board will periodically review the appropriate Board size, which may vary to accommodate the availability of suitable candidates and the Company’s needs and shall take into account the impact of director departures and arrivals.

Independence of Directors

The Board will have a majority of independent directors, subject to any exceptions permitted by the applicable listing standards of the stock exchange that lists the Company’s capital stock (the “**Exchange**”). To determine independence, the Board will consider the definition of independence in the applicable listing standards, and other factors that will contribute to effective oversight and decision-making.

At times required by the rules of the Securities and Exchange Commission (the “**SEC**”) or listing standards of the Exchange and based on information provided by the Board and advice of counsel, the Board or its Nominating and Corporate Governance Committee will make affirmative determinations of director independence. Directors may be asked from time to time to leave a Board meeting when the Board is considering a transaction in which the director (or another organization with which the director is affiliated) has a financial or other interest. The Audit Committee shall review and approve any proposed related party transactions in compliance with the Company’s policies and Exchange rules.

Management Directors

The Board anticipates that the Chief Executive Officer will serve on the Board. The Board also anticipates that other members of management who can assist the Board in fulfilling its responsibilities based on their experience and role at the Company may serve on the Board.

Board Leadership

The Board will select the Company’s Chief Executive Officer and chairperson of the Board in the manner that it determines to be in the best interests of the Company’s stockholders and in accordance with the Company’s stockholder agreements. The Company does not believe there should be a fixed rule regarding the positions of Chief Executive Officer and chairperson being held by different individuals, or whether the chairperson should be an employee of the Company or should be elected from among the non-employee directors. The needs of the Company and the individuals available to assume these roles may require different outcomes at different times, and the Board believes that retaining flexibility in these decisions is

in the best interests of the Company. The Nominating and Corporate Governance Committee will periodically review this matter and make recommendations to the Board.

In the event that the Company does not have an independent chairperson of the Board, the independent directors may designate a lead independent director. The name of the chairperson or lead independent director will be listed in the Company's proxy statement. The lead independent director's duties shall include: (i) presiding at all meetings of the Board at which the chairperson is not present, including executive sessions of the independent directors; (ii) acting as liaison between the independent directors and the Chief Executive Officer and chairperson; (iii) presiding over meetings of the independent directors; (iv) consulting with the chairperson in planning and setting schedules and agendas for Board meetings; and (v) performing such other functions as the Board may delegate.

Selection of Directors

The Board will be responsible for nominating members for election to the Board by the Company's stockholders. The Board is also responsible for filling any vacancies on the Board as provided in the Company's charter documents. The Nominating and Corporate Governance Committee is responsible for identifying, reviewing, evaluating and recommending candidates to serve as directors of the Company, in accordance with its charter and consistent with the criteria listed below.

Stockholder Recommendations of Director Nominees

The Nominating and Corporate Governance Committee will consider director candidates recommended by the Company's stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates a candidate for nomination to the Board based on whether or not the candidate was recommended by a Company stockholder.

For nominations of potential candidates made other than by the Board, the stockholder or other person making such nomination must comply with the Bylaws, including without limitation, submission of the information or other materials required with respect to proposed nominees. Each potential candidate must provide a list of references and agree (i) to be interviewed by members of the Nominating and Corporate Governance Committee or other directors in the discretion of the Nominating and Corporate Governance Committee, and (ii) to a background check or other review of the qualifications of a proposed nominee by the Company. Prior to nomination of any potential candidate by the Board, each member of the Board will have an opportunity to meet with the candidate. Upon request, any candidate nominated will agree in writing to comply with these guidelines and all other policies and procedures of the Company applicable to the Board.

Board Membership Criteria

The Board will determine the appropriate characteristics, skills, and experience for the Board as a whole and for its individual members. The Board considers recommendations for nominees from the Nominating and Corporate Governance Committee. The Board will consider the minimum general criteria below, and may add any specific additional criteria with respect to specific searches, in selecting candidates and existing directors for serving on the Board. An acceptable candidate may not fully satisfy all of the criteria, but is expected to satisfy nearly all of them. The Board believes that candidates for director should have certain minimum qualifications, including the highest personal integrity and ethics, the ability to read and understand basic financial statements, ability to understand the industry of the Company and being older than 21.

In considering candidates recommended by the Nominating and Corporate Governance Committee, the

Board intends to consider other factors, such as: (i) possessing relevant expertise upon which to be able to offer advice and guidance to management; (ii) having sufficient time to devote to the affairs of the Company; (iii) demonstrating excellence in his or her field; (iv) having the ability to exercise sound business judgment; (v) experience as a board member or executive officer of another publicly held company; (vi) having a diverse personal background, perspective and experience; and (vii) having the commitment to rigorously represent the long-term interests of the Company's stakeholders consistent with the Company's public benefit corporation ("**PBC**") status.

The Board reviews candidates for director nomination in the context of the current composition of the Board, the Company's operating requirements, and the long-term interests of the Company's stakeholders. In conducting this assessment, the Board considers diversity (including diversity of gender, ethnic background and country of origin), age, skills, perspectives, tenure and other factors that it deems appropriate to maintain a balance of knowledge, experience, and capability on the Board. For incumbent directors, the Board reviews those directors' overall service to the Company during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair the directors' independence. In the case of new director candidates, the Board also determines whether the nominee must be independent for purposes of the Exchange.

Changes in Board Membership Criteria

The Board wishes to maintain members who can productively contribute to the success of the Company. From time to time, the Board, in its discretion, may change the criteria for Board membership. When this occurs, the Board will evaluate existing members according to the new criteria. The Board may ask a director who no longer meets the complete criteria for board membership to adjust his or her committee assignments or resign from the Board.

Tenure Limits

A non-employee director will not be nominated for re-election to the Board if, at the time of the annual meeting of stockholders for which they are nominated, such non-employee director will have served on the Board for more than twelve years; provided, that the Board may extend such twelve-year limit for a period not to exceed three years if the Board determines that doing so would limit excessive Board turnover or would otherwise be in the best interests of the Company.

Employee directors are not subject to the tenure limit described above.

Limits on Board Memberships

Directors should advise the chairperson of the Nominating and Corporate Governance Committee before accepting an invitation to serve on the board of directors or committee of another company. The Board recognizes that a director's ability to fulfill his or her responsibilities as a director can be impaired if he or she serves on multiple other boards or board committees. Service on boards and board committees of other companies should be consistent with the Company's conflict-of-interest policies. Non-employee directors should generally serve on no more than four (4) other public company boards and on no more than three (3) other public company audit committees, without the approval of the Board. In addition, non-employee directors who are executive officers of other public companies should generally serve on no more than one other public company board, without the approval of the Board.

Retirement Age

The Board believes that it is inappropriate to have a retirement age for directors.

Directors Who Change Their Job Responsibility

A director who retires or materially changes his or her present job (other than an ordinary course promotion) should notify the Board and the Nominating and Corporate Governance Committee. While the Board does not believe any director who retires or materially changes his or her present job should necessarily leave the Board, the Nominating and Corporate Governance Committee should have the opportunity to review his or her qualifications.

Director Resignation Policy

In accordance with the Bylaws, the Company has adopted plurality voting in all elections of directors. However, the Board's policy is that any director in an uncontested election who is not elected at a stockholder meeting for which a quorum is present by a majority of the votes cast (with broker non-votes and abstentions not counted as votes cast either "for" or "against" the nominee's election) shall promptly tender his or her resignation to the Nominating and Corporate Governance Committee after the certification of the election results. The Nominating and Corporate Governance Committee (or such other committee as the Board may appoint) shall consider the tendered resignation of a director who fails to receive a majority of votes cast for election, as well as any other offer to resign that is conditioned upon Board acceptance, and recommend to the Board whether to accept or reject the resignation offer, or whether other action should be taken. In determining whether to recommend that the Board accept or reject such resignation, the Nominating and Corporate Governance Committee may consider all factors that its members believe are relevant.

The Board will act on the tendered resignation within 90 days following certification of the election results. In deciding whether to accept the tendered resignation, the Board will consider the recommendation of the Nominating and Corporate Governance Committee, the factors considered by the Nominating and Corporate Governance Committee and any additional information and factors that the Board believes to be relevant. If the Board accepts a director's tendered resignation pursuant to these guidelines, the Board will thereafter determine, in its sole discretion, whether to fill the vacancy or reduce the size of the Board. If the Board does not accept a director's tendered resignation, such director shall continue to serve until the end of his or her term and until his or her successor is duly elected, or his or her earlier death, resignation or removal.

Any director who tenders his or her resignation pursuant to these guidelines will not participate in the proceedings of either the Nominating and Corporate Governance Committee or the Board with respect to his or her own resignation offer.

II. ROLE OF THE BOARD OF DIRECTORS

Stockholders select directors to provide oversight and strategic guidance to senior management. A director's responsibility is to fulfill his or her fiduciary duties of care and loyalty, and otherwise to exercise his or her business judgment in the interests of the Company and its stakeholders, and which is consistent with the Company's PBC status. Board service requires significant time and attention. More specifically, the Board has responsibilities to review, approve, and monitor fundamental financial and business strategies and significant corporate actions, assess the Company's major risks, and consider ways to address those risks, select and oversee management, and establish and oversee processes to maintain the Company's integrity. To fulfill their duties, directors must prepare for meetings and discussions with management, participate in Board meetings, review relevant materials, and serve on committees. The Company expects directors to maintain an attitude of constructive involvement and oversight, ask relevant and incisive questions, and demand honest and accurate answers. Directors must act with integrity and demonstrate a

commitment to the Company, the Company's values, business, and long-term stockholder value.

III. DIRECTOR ORIENTATION AND EDUCATION

The Nominating and Corporate Governance Committee has an orientation process for directors that includes background material on the Company's policies and procedures, meetings with senior management, and visits to the Company's facilities. The Company also offers continuing education programs to assist the directors in maintaining the level of expertise necessary to perform their duties.

Directors are encouraged to be involved in continuing director education on an ongoing basis to enable them to better perform their duties and to recognize and appropriately address issues that arise. Directors are encouraged to attend seminars, conferences and other continuing education programs designed especially for directors of public companies, including but not limited to, accredited director education programs.

IV. DIRECTOR COMPENSATION

The Nominating and Corporate Governance Committee will review and recommend to the Board the type and amount of director compensation for Board and committee service for non-management directors in accordance with applicable legal and regulatory guidelines. Compensation for non-management directors and committee members should be designed to be aligned with the long-term interests of the stockholders and consistent with market practices of similarly situated companies. In determining compensation, the Board will consider the impact on the director's independence and objectivity.

V. BOARD MEETINGS

Number of Meetings

The Board expects to have at least four regular Board meetings each year.

Attendance and Preparation

The Company expects Board members to prepare for, attend and participate in all meetings of the Board and committees on which they serve. Directors should notify the Company's Secretary when they will be absent from a meeting. Directors are also encouraged to attend the Company's annual meeting of stockholders. The Company will provide directors with appropriate materials before each meeting, except in unusual or exigent circumstances.

Agenda

The chairperson or lead independent director, together with the Chief Executive Officer, will create a schedule of topics to be discussed during the year and an agenda for each Board meeting. Each Board member is encouraged to suggest topics for the agenda at any time, and each Board member is free to raise subjects that are not on the agenda.

Executive Session

The independent non-management directors of the Board will meet periodically in executive session but no less than two times per year or whatever minimum has been set by applicable listing standards. Executive session discussions may include any topics decided by the attendees. The directors generally shall not take formal action at these sessions, but may make recommendations for consideration by the full Board. The

lead independent director, if any, will preside over the executive sessions and serve as the liaison between the independent directors and the Chief Executive Officer and chairperson.

Committee Reports

At each regular Board meeting, if requested by the Board, each committee will present a brief summary of the principal subjects discussed, any conclusions reached, and the final actions of the committee. The chairperson of the appropriate committee will present the report. Minutes of committee meetings will be available to any director.

VI. BOARD COMMITTEES

Number of Committees; Independence of Members

The Board will constitute and maintain an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Only independent directors may serve on the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee. The Board may form, merge, or dissolve additional committees, as it deems appropriate.

Committee Functions and Charters

All standing committees will have a written charter that describes the committee's responsibilities. Unless otherwise directed by the Board, any new committee formed by the Board will develop a written charter delineating its responsibilities. Each committee will periodically review its charter and recommend any proposed charter changes to the Board.

Board Committee Membership

The Nominating and Corporate Governance Committee oversees the Board's committee structure and operations, including authority to delegate to subcommittees and committee reporting to the Board. The Nominating and Corporate Governance Committee will annually recommend to the Board each committee's chairperson and membership. In making those recommendations, the Nominating and Corporate Governance Committee will consider the interests, independence, and experience of the directors and the independence and experience requirements of the Exchange, the rules and regulations of the SEC, and applicable law.

Committee Meetings and Agenda

Each committee chairperson, in consultation with that committee's members, will determine the processes, frequency, length and agenda for each committee meeting and the appropriate attendees in light of that committee's charter, the authority delegated by the Board to that committee, and the legal, regulatory, accounting, and governance principles applicable to that committee's functions.

VII. BOARD ACCESS TO MANAGEMENT; USE OF OUTSIDE ADVISORS

Board members will have access to Company management, subject to such processes as deemed appropriate by the Nominating and Corporate Governance Committee. Board members are expected to use their judgment to ensure that this contact is not distracting to the Company's operations or to management's duties and responsibilities. Board members should copy the Chief Executive Officer on written communications to management whenever appropriate.

The Board and each committee will have the power to hire, at the expense of the Company, independent legal, financial, or other advisors that they may deem necessary, without consulting or obtaining the advance approval of any officer.

VIII. CHIEF EXECUTIVE OFFICER EVALUATION

The Board, acting through its Nominating and Corporate Governance Committee, will annually review the Chief Executive Officer's performance. The Nominating and Corporate Governance Committee will evaluate performance based on objective criteria, including how well the business achieves long-term strategic objectives and successfully develops management. The Compensation Committee and Board will use this evaluation when considering the compensation of the Chief Executive Officer.

IX. MANAGEMENT SUCCESSION PLANNING

The Board or a duly authorized committee of the Board should develop and periodically review with the Chief Executive Officer a plan with respect to executive officers' succession and consider appropriate individuals who might fill those positions. The Chief Executive Officer should also recommend and evaluate potential successors. The Chief Executive Officer will also review any development plans for those potential successors.

X. BOARD ASSESSMENT AND EVALUATIONS

The Board and/or one or more of its committees will annually review, discuss, and assess the performance of the Board and the committees, the results of which will be discussed with the Board. The Board and/or one or more of its committees may periodically engage an independent third party to facilitate the evaluation process.

XI. BOARD RESPONSIBILITIES

A director should discharge his or her duties, including duties as a member of any committee on which he or she serves, in good faith and in a manner the director reasonably believes to be in the interests of the Company and its stakeholders, and which is consistent with the Company's PBC status. Board members will comply with the laws and requirements of the Exchange and other applicable regulatory agencies and with all policies and guidelines of the Company, including without limitation, the Company's Code of Business Conduct and Ethics.

Each director is expected to disclose promptly to the Board and respond promptly and accurately to periodic questionnaires or other inquiries from the Company regarding any existing or proposed relationships with the Company, including compensation and stock ownership, which could affect the independence of the director. Each director will also promptly inform the Board of any material change in such information, to the extent not already known by the Board.

Board members are expected to devote sufficient time and attention to prepare for, attend, and participate in Board meetings and meetings of committees on which they serve, including advance review of meeting materials that may be circulated prior to each meeting.

Directors have an obligation to protect and keep confidential all of the Company's non-public information unless the Company has authorized public disclosure or unless otherwise required by applicable law. Confidential information includes all non-public information entrusted to or obtained by a director by reason of his or her position on the Board. This includes information regarding the Company's strategy, business, finances, and operations, and will include minutes, reports, and materials of the Board and

committees, and other documents identified as confidential by the Company. The obligations described above continue even after service on the Board has ended.

Directors may not use such confidential information for personal benefit or to benefit other persons or entities other than the Company. Unless authorized by the Company or applicable law, directors will refrain from disclosing confidential information to anyone outside the Company, especially anyone affiliated with any entity or person that employs the director or has sponsored the director's election to the Board. These obligations continue even after service on the Board has ended. Any questions or concerns about potential disclosures should be directed to the Company's General Counsel, who then may communicate with the Chief Executive Officer or the Nominating and Corporate Governance Committee regarding the potential disclosures.

The Board is committed to upholding the highest legal and ethical conduct in fulfilling its responsibilities. The Board expects all directors to act ethically at all times and to adhere to the policies set forth in the Company's Code of Business Conduct and Ethics (available at <https://investors.vitalfarms.com/governance/governance-documents/default.aspx> under "Governance Documents"). Directors must promptly disclose actual or potential conflicts of interest to the Company's General Counsel (or, if the Company's General Counsel is involved with the actual or potential conflict, to the Chief Financial Officer), and may seek authorizations and determinations from the Nominating and Corporate Governance Committee, or such other committee of the Board that the Board may expressly designate.

XII. BOARD INTERACTION WITH THIRD PARTIES

As a general matter, the Chief Executive Officer (and senior executives to whom the Chief Executive Officer further delegates) has been given authority by the Board to speak for the Company on most matters related to Company performance, operations and strategy. The Chief Executive Officer may further delegate such authority to senior executives at the Chief Executive Officer's discretion. Directors should refer inquiries from investors, analysts, the press, customers, suppliers and others outside the Company to the Chief Executive Officer or his or her designee. The chairperson of the Board or the lead independent director may make statements from time to time as directed by the Board. The Board may also designate other directors to participate in and lead particular communication efforts. Individual directors may only speak with investors, analysts, the press, customers, suppliers and others outside the Company about the Company if expressly authorized by the Board and in accordance with the policies of the Company.

XIII. STOCKHOLDER COMMUNICATIONS WITH THE BOARD

Stockholders of the Company wishing to communicate with the Board or an individual director may send a written communication to the Board or such director c/o 3601 S Congress Ave, Suite c100, Austin, Texas, 78704, Attn: Secretary. The Secretary will review each communication. The Secretary will forward such communication to the Board or to any individual director to whom the communication is addressed unless the communication contains advertisements or solicitations or is unduly hostile, threatening or similarly inappropriate, in which case the Secretary shall discard the communication or inform the proper authorities, as may be appropriate.

XIV. REVIEW OF GOVERNANCE GUIDELINES

The Nominating and Corporate Governance Committee will periodically review and assess the adequacy of these guidelines and recommend any proposed changes to the Board for approval.
