## Visteon to participate in Raymond James technology investors conference on Dec. 5

2016-11-30

VAN BUREN TOWNSHIP, Mich., Nov. 30, 2016 — Visteon Corporation (NYSE: VC), a leading global supplier of vehicle cockpit electronics, will participate in a panel discussion and present a company overview at the Raymond James Technology Investors Conference in New York City on Monday, Dec. 5.

Markus Schupfner, chief technology officer, will participate on a panel titled "Auto Tech – A Deep Dive into Technology Innovation in the Auto Sector" from noon to 1 p.m. ET.

Separately, Christian Garcia, executive vice president and chief financial officer, and Schupfner will provide an overview of the company's technologies, financial profile and related matters in a presentation from 1:50 to 2:20 p.m. ET. A live, listen-only webcast of this presentation, along with the presentation material and other supplemental information, will be accessible through Visteon's website at <http://visteon.com/investors/presentations.html>. A replay will be available following the event.
