## Visteon to present at Deutsche Bank's 2016 Global Auto Industry Conference on Jan. 12

2016-01-05

VAN BUREN TOWNSHIP, Mich., Jan. 5, 2016 — Visteon Corporation (NYSE: VC) is scheduled to present at Deutsche Bank's 2016 Global Auto Industry Conference at the MGM Grand in Detroit on Tuesday, Jan. 12. Visteon's presentation will begin at approximately 3:50 p.m. ET and is expected to last about 40 minutes.

Sachin Lawande, president and CEO, and Jeffrey M. Stafeil, executive vice president and chief financial officer, will provide an overview of the company's strategy, financial profile and related matters. A live audio webcast, along with the presentation material and other supplemental information, will be accessible **through Visteon's website**. A replay will be available following the event.
